#### SUPPLEMENTARY INFORMATION:

##### Comments

The information collection notice was previously published in the **Federal Register** on August 18, 2020, at 85 FR 50831, allowing for a 60-day public comment period. USCIS did not receive any comments in connection with the 60-day notice.

You may access the information collection instrument with instructions, or additional information by visiting the Federal eRulemaking Portal site at: <http://www.regulations.gov> and enter USCIS-2010-0014 in the search box. The comments submitted to USCIS via this method are visible to the Office of Management and Budget and comply with the requirements of 5 CFR 1320.12(c). All submissions will be posted, without change, to the Federal eRulemaking Portal at <http://www.regulations.gov>, and will include any personal information you provide. Therefore, submitting this information makes it public. You may wish to consider limiting the amount of personal information that you provide in any voluntary submission you make to DHS. DHS may withhold information provided in comments from public viewing that it determines may impact the privacy of an individual or is offensive. For additional information, please read the Privacy Act notice that is available via the link in the footer of <http://www.regulations.gov>.

Written comments and suggestions from the public and affected agencies should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

#### Overview of This Information Collection

(1) *Type of Information Collection Request:* Extension, Without Change, of a Currently Approved Collection.

(2) *Title of the Form/Collection:* myE-Verify Program.

(3) *Agency form number, if any, and the applicable component of the DHS sponsoring the collection:* G-1499; USCIS.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract: Primary:* Individuals and Households. myE-Verify (previously E-Verify Self Check) allows workers in the United States to enter data into the E-Verify system to ensure that the information relating to their eligibility to work is correct and accurate. This is necessary so that workers in the United States can correct their records before a hiring decision is made. This will lead to a more reliable and accurate E-Verify system that works better for both employers and employees.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* The estimated total number of respondents for the information collection Form G-1499 is 250,000 and the estimated hour burden per response is 0.083 hour. Of this 250,000, an estimated 75,000 respondents will need to correct information that may have been entered incorrectly to continue using myE-Verify; this estimated burden per response is 0.083 hour. Of this 250,000, an estimated 10,000 respondents may be required to pursue further action to correct their records at the appropriate agency; this estimated burden per response is 1.183 hour. Of this 250,000, an estimated 25,000 respondents will be required to provide additional information for a second Authentication Check; this estimated burden per response is 0.25 hour.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The total estimated annual hour burden associated with this collection is 45,153 hours.

(7) *An estimate of the total public burden (in cost) associated with the collection:* The estimated total annual cost burden associated with this collection of information is \$0. There are no mailing or other costs associated with this collection of information.
