SUPPLEMENTARY INFORMATION:

Background

On October 8, 2020, we published a proposed rule (85 FR 63474) to reclassify the red-cockaded woodpecker from endangered to threatened (*i.e.*, “downlist” the species) under the Act (16 U.S.C. 1531 *et seq.*). The proposed rule established a 60-day public comment period, ending December 7, 2020. We received a request for a public hearing. Therefore, we are announcing a public informational meeting and a public hearing to allow the public an additional opportunity to provide comments on the proposed rule.

For a description of previous Federal actions concerning the red-cockaded woodpecker and information on the types of comments that would be helpful to us in promulgating this rulemaking action, please refer to the October 8, 2020, proposed rule (85 FR 63474).

Public Hearing

We have scheduled a public informational meeting and public hearing on our October 8, 2020, proposed rule to reclassify the red-cockaded woodpecker (85 FR 63474). We will hold the public informational meeting and public hearing on the date and at the times listed above under *Public informational meeting and public hearing* in **DATES**. We are holding the public informational meeting and public hearing via the Zoom online video platform and via teleconference so that participants can attend remotely. For security purposes, registration is required. To listen and view the meeting and hearing via Zoom, listen to the meeting and hearing by telephone, or provide oral public comments at the public hearing by Zoom or telephone, you must register. For information on how to register, or if you encounter problems joining Zoom the day of the meeting, visit <https://www.fws.gov/southeast/wildlife/birds/red-cockaded-woodpecker/#recovery-plan-section>. Registrants will receive the Zoom link

and the telephone number for the public informational meeting and public hearing. If applicable, interested members of the public not familiar with the Zoom platform should view the Zoom video tutorials (<https://support.zoom.us/hc/en-us/articles/206618765-Zoom-video-tutorials>) prior to the public informational meeting and public hearing.

The public hearing will provide interested parties an opportunity to present verbal testimony (formal, oral comments) regarding the October 8, 2020, proposed rule to reclassify the red-cockaded woodpecker (85 FR 63474). While the public informational meeting will be an opportunity for dialogue with the Service, the public hearing is not: It is a forum for accepting formal verbal testimony. In the event there is a large attendance, the time allotted for oral statements may be limited. Therefore, anyone wishing to make an oral statement at the public hearing for the record is encouraged to provide a prepared written copy of their statement to us through the Federal eRulemaking Portal, or U.S. mail (see **ADDRESSES**, above). There are no limits on the length of written comments submitted to us. Anyone wishing to make an oral statement at the public hearing must register before the hearing (<https://www.fws.gov/southeast/wildlife/birds/red-cockaded-woodpecker/#recovery-plan-section/>). The use of a virtual public hearing is consistent with our regulations at 50 CFR 424.16(c)(3).

Reasonable Accommodation

The Service is committed to providing access to the public informational meeting and public hearing for all participants. Closed captioning will be available during the public informational meeting and public hearing. Further, a full audio and video recording and transcript of the public hearing will be posted online at <https://www.fws.gov/southeast/wildlife/birds/red-cockaded-woodpecker/#recovery-plan-section/> after the hearing. Participants will also have access to live audio during the public informational meeting and public hearing via their telephone or computer speakers. Persons with disabilities requiring reasonable accommodations to participate in the meeting and/or hearing should contact the person listed under **FOR FURTHER INFORMATION CONTACT** at least 5 business days prior to the date of the meeting and hearing to help ensure availability. An accessible version of the Service's public informational meeting presentation will also be posted online

at <https://www.fws.gov/southeast/wildlife/birds/red-cockaded-woodpecker/#recovery-plan-section> prior to the meeting and hearing (see **DATES**, above). RIN 0648–BJ93

Fisheries of the Caribbean, Gulf of Mexico, and South Atlantic; Snapper-Grouper Fishery of the South Atlantic Region; Regulatory Amendment 34

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Proposed rule; request for comments.

SUMMARY: NMFS proposes to implement management measures described in Regulatory Amendment 34 to the Fishery Management Plan (FMP) for the Snapper-Grouper Fishery of the South Atlantic Region (Snapper-Grouper FMP), as prepared and submitted by the South Atlantic Fishery Management Council (Council). If implemented, this proposed rule would create 34 special management zones (SMZs) around artificial reefs in the exclusive economic zone (EEZ) off North Carolina and South Carolina. The purpose of this proposed rule is to designate new SMZs and to restrict fishing gear with greater potential to result in high exploitation rates. The restrictions are expected to reduce adverse effects to snapper-grouper species and enhance recreational fishing opportunities at these SMZs.

DATES: Written comments on the proposed rule must be received by December 16, 2020.

ADDRESSES: You may submit comments on the proposed rule, identified by “NOAA–NMFS–2020–0123,” by either of the following methods:

- **Electronic submission:** Submit all electronic comments via the Federal eRulemaking Portal. Go to <http://www.regulations.gov/docket?D=NOAA-NMFS-2020-0123>, click the “Comment Now!” icon, complete the required fields, and enter or attach your comments.

- **Mail:** Submit written comments to Rick DeVictor, NMFS Southeast Regional Office, 263 13th Avenue South, St. Petersburg, FL 33701.

Instructions: Comments sent by any other method, to any other address or individual, or received after the end of the comment period, may not be considered by NMFS. All comments received are a part of the public record and will generally be posted for public viewing on www.regulations.gov without change. All personal identifying information (*e.g.*, name, address, etc.), confidential business information, or otherwise sensitive information submitted voluntarily by the sender will be publicly accessible. NMFS will accept anonymous comments (enter “N/A” in required fields if you wish to remain anonymous).
