**Note:** Burden Hours per district were determined through interviews with a stratified heterogeneous mixture of school districts used to estimate burden, as approved in the 2018 Paperwork Reduction Act.

<sup>a</sup>Burden Hours are rounded to the tenth decimal place in this publication.

Estimates are based on the assumption of some paper reporting. During the 2018 EEO-5 filing period, the EEOC experienced a 49.8 percent increase in paper filing since the 2016 EEO-5 report filing. Despite the increase, paper filing represents 3.3 percent of total reports received in 2018. Electronic filing remains the most efficient, accurate, and secure means of reporting for respondents required to submit the EEO-5 report. The EEOC has made electronic filing much easier for respondents required to file the EEO-5 Report and as a result, more respondents are using this electronic filing method. Accordingly, the EEOC will continue to encourage EEO-5 filers to submit data through electronic filing, and will only accept paper records from filers who have secured permission to submit data via paper submission.

**Overview of Information Collection**

*Collection Title:* Local Union Report (EEO-3).

*OMB Number:* 3046-0006.

*Frequency of Report:* Biennial.

*Type of Respondent:* Local referral unions with 100 or more members.

*Description of Affected Public:* Local referral unions and independent or unaffiliated referral unions and similar labor organizations.

*Responses:* 1,100<sup>1</sup> per biennial collection.

*Reporting Hours:* 2,252 per biennial collection.

*Burden Hour Cost:* \$70,415.95 per biennial collection.

*Federal Cost:* \$390,120.85 per biennial collection.

*Number of Forms:* 1.

*Form Number:* EEOC Form 274.

*Abstract:* Section 709(c) of Title VII of the Civil Rights Act of 1964, as amended, 42 U.S.C. 2000e-8(c), requires labor organizations to make and keep records relevant to a determination of

whether unlawful employment practices have been or are being committed and produce reports required by the EEOC. Accordingly, the EEOC has issued regulations, 29 CFR 1602.22-.28, which set forth the reporting requirements and record retention policies for various kinds of labor organizations. 29 CFR 1602.22 requires every local union to retain the most recent report filed, and 29 CFR 1602.27-.28 require filers to make records necessary for completion of the EEO-3 and preserve them for a year (or if a charge of discrimination is filed, relevant records must be retained until final disposition of the matter). 29 CFR 1602.22 and 1602.27-.28 are related to record keeping which is part of standard administrative practices, and as a result, the EEOC believes that any impact on burden would be negligible and nearly impossible to quantify. Local referral local unions with 100 or more members have been required to submit EEO-3 reports since 1967 (biennially since 1985). The EEOC uses EEO-3 data for research and to investigate charges of discrimination. The individual reports are confidential.

*Burden Statement:* The methodology for calculating annual burden reflects

the different staff that are responsible for preparing and filing the EEO-3. These estimates stem from a limited study that was conducted in 2015 with nine EEO-3 respondents. The EEOC accounts for time to be spent biennially on EEO-3 reporting by business agents and administrative staff, as well as time spent by attorneys who, in a few cases, may consult briefly during the reporting process. The estimated number of respondents included in the biennial EEO-3 survey is 1,100 local referral unions, as this is the approximate number of filers from the 2018 reporting cycle. The estimated hour burden per report will be 2.05 hours, and the estimated total biennial respondent burden hours will be 2,251.80. Burden hour cost was calculated using median hourly wage rates for administrative staff and legal counsel, and average hourly wage rates for labor union business agents.<sup>2</sup>

The burden hour cost per report will be \$67.33, and the estimated total biennial burden hour cost per biennial collection will be \$73,842.75 (See Table 1 for calculations).

TABLE 1—ESTIMATE OF BIENNIAL BURDEN FOR EEO-3 REPORT

Local referral union staff	Hourly wage rate <sup>a</sup>	Hours per local	Cost per local	Total burden hours	Total burden hour cost
Secretaries and Administrative Assistants .....	\$18.84	1	\$18.84	1,100	\$20,724.00
Business Agent .....	45.00	1	45.00	1,100	49,500.00
Corporate Legal Counsel .....	69.86	0.05	3.49	55	191.95
<b>Total .....</b>	.....	<b>2.05</b>	<b>67.33</b>	<b>2,251.80</b>	<b>70,415.95</b>

**Note:** A limited study was conducted by the EEOC of local referral union EEO-3 respondents. The methodology included surveying nine local referral union respondents by asking a series of survey questions approved by the EEOC's Office of Legal Counsel regarding the type of local union staff involved in submitting EEO-3 data. The EEOC asked responding study participants to estimate how long on average it took identified local union staff members to complete the EEO-3 report and what proportion of that time was allocated to each staff member job title. The burden hours per local union by job title, 2.05, is estimated based on filer responses. The results of the study were published in the Final Notice of Submission for OMB Review—Extension Without Change: Local Union Report (EEO-3) on January 24, 2017: <https://www.federalregister.gov/documents/2017/01/24/2017-01558/agency-information-collection-activities-proposed-collection-submission-for-omb-review>.

<sup>a</sup> Hourly wage rates for administrative staff and legal counsel were obtained from the Bureau of Labor Statistics, May 2019 (see U.S. Dept. of Labor, Bureau of Labor Statistics, Occupational Outlook Handbook, [https://www.bls.gov/oes/current/oes\\_stru.htm](https://www.bls.gov/oes/current/oes_stru.htm)) and the average hourly wage rate for a labor union business agent was obtained from salaryexpert.com (see <https://www.salaryexpert.com/salary/job/labor-union-business-agent/united-states>).

These estimates are based upon filers' use of the EEO-3 online filing system to submit reports. The EEOC has made electronic submission much easier for respondents required to file the EEO-3 Report. During the 2018 EEO-3 data collection cycle, approximately 1,100 local referral unions were identified as being eligible to report EEO-3 data, and all but 31 of the 975 responsive EEO-3 filers submitted their data electronically. Electronic filing remains

the most efficient, accurate, and secure means of reporting for respondents required to submit the EEO-3 report. The EEOC has made electronic filing much easier for respondents required to file the EEO-3 report and as a result, more respondents are using this electronic filing method. Accordingly, the EEOC will continue to encourage EEO-3 filers to submit data through electronic filing, and will only accept paper records from filers who have

secured permission to submit data via paper submission.
