SUPPLEMENTARY INFORMATION:

A. OMB Control Number, Title, and Any Associated Form(s)

9000-0138, Contract Financing.

B. Need and Uses

This clearance covers the information that offerors and contractors must submit to comply with the following Federal Acquisition Regulation (FAR) requirements:

FAR 52.232-28, Invitation to Propose Performance-Based Payments. This provision requires an offeror, when invited to propose terms under which the Government will make performance-based contract financing payments during contract performance, to include the following: The proposed contractual language describing the performance-based payments; information addressing the contractor's investment in the contract and a listing of—

(i) The projected performance-based payment dates and the projected payment amounts; and

(ii) The projected delivery date and the projected payment amount.

FAR 52.232-29, Terms for Financing of Purchases of Commercial Items.

FAR 52.232-30, Installment Payments for Commercial Items. These clauses require contractors, under commercial purchases pursuant to FAR part 12, to include with their payment requests an appropriately itemized statement of the financing payments requested and other supporting information, prepared in concert with the contracting officer.

FAR 52.232-31, Invitation to Propose Financing Terms. This provision requires an offeror, when invited to propose terms under which the Government will make contract financing payments during contract performance under commercial purchases pursuant to FAR part 12, to include the following: The proposed contractual language describing the contract financing; and a listing of the earliest date and greatest amount at which each contract financing payment may be payable and the amount of each delivery payment.

FAR 52.232-32, Performance-Based Payments. This clause requires the

contractor's request for performance-based payment to include any information and documentation as required by the contract's description of the basis for payment; and a certification by a contractor official authorized to bind the contractor.

The contracting officer uses the required information to review and approve contract financing requests, and establish and administer contract financing terms.

Information Collection; Organization and Direction of the Work

AGENCY: Department of Defense (DOD), General Services Administration (GSA),

and National Aeronautics and Space Administration (NASA).

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, and the Office of Management and Budget (OMB) regulations, DoD, GSA, and NASA invite the public to comment on a revision and renewal concerning organization and direction of the work. DoD, GSA, and NASA invite comments on: Whether the proposed collection of information is necessary for the proper performance of the functions of Federal Government acquisitions, including whether the information will have practical utility; the accuracy of the estimate of the burden of the proposed information collection; ways to enhance the quality, utility, and clarity of the information to be collected; and ways to minimize the burden of the information collection on respondents, including the use of automated collection techniques or other forms of information technology. OMB has approved this information collection for use through February 28, 2021. DoD, GSA, and NASA propose that OMB extend its approval for use for three additional years beyond the current expiration date.

DATES: DoD, GSA, and NASA will consider all comments received by January 22, 2021.

ADDRESSES: DoD, GSA, and NASA invite interested persons to submit comments on this collection through <http://www.regulations.gov> and follow the instructions on the site. This website provides the ability to type short comments directly into the comment field or attach a file for lengthier comments. If there are difficulties submitting comments, contact the GSA Regulatory Secretariat Division at 202-501-4755 or GSARegSec@gsa.gov.

Instructions: All items submitted must cite OMB Control No. 9000-0064, Organization and Direction of the Work. Comments received generally will be posted without change to <http://www.regulations.gov>, including any personal and/or business confidential information provided.
