Agenda

The COAC will hear from the current subcommittees on the topics listed below and then will review, deliberate, provide observations, and formulate recommendations on how to proceed:

1. The Secure Trade Lanes Subcommittee will present updates related to the four active working groups as follows: Trusted Trader Working Group will present recommendations on the newly issued CBP White Paper for the Implementation of CTPAT Trade Compliance Requirements for Forced Labor; the In-Bond Working Group will provide an update on the ongoing work with the technical enhancements that is being shared with the Trade Support Network; the Export Modernization Working Group will report on the progress of the development of the White Paper mentioned during the October COAC meeting and present additional recommendations; and, the Remote and Autonomous Cargo Processing Working Group will provide an update on the progress reviewing the

various modes of conveyance and automation opportunities.

2. The Intelligent Enforcement Subcommittee will discuss the kickoff of the Intellectual Property Rights Process Modernization Working Group that will leverage prior recommendations by formulating recommendations to address automation and data sharing. The Bond Working Group will report on continued work with CBP on the Monetary Guidelines for Setting Bond Amounts as part of a larger risk-based bonding initiative. The Anti-Dumping and Countervailing Duty (AD/CVD) Working Group will report on their continued work with CBP related to the growing number of complex AD/CVD cases. The Forced Labor Working Group will report on progress toward prioritized recommendations and future scope of work.

3. The Next Generation Facilitation Subcommittee will provide an update on the progress of the One U.S. Government Working Group and work-to-date on the Global Business Identifier initiative. The subcommittee will also report on their progress with Partner Government Agencies regarding advancement in Trusted Trader initiatives. There will be an update by the Emerging Technologies Working Group regarding their assessment of various technologies such as quantum computing evaluated this past quarter that could be adapted for use by CBP and the trade. The subcommittee will provide an update on the 21st Century Customs Framework initiative.

4. The Rapid Response Subcommittee will discuss the work that has been done by the Broker Exam Modernization Working Group regarding resolving challenges encountered during the recent October exam and continuing efforts to modernize and improve the quality and experience of future broker exams.

SUPPLEMENTARY INFORMATION: CBP invites the general public and other Federal agencies to comment on the proposed and/or continuing information collections pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*). This process is conducted in

accordance with 5 CFR 1320.8. Written comments and suggestions from the public and affected agencies should address one or more of the following four points: (1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) suggestions to enhance the quality, utility, and clarity of the information to be collected; and (4) suggestions to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses. The comments that are submitted will be summarized and included in the request for approval. All comments will become a matter of public record.

Overview of This Information Collection

Title: Generic Clearance for the Collection of Qualitative Feedback on Agency Service Delivery.

OMB Number: 1651-0136.

Current Actions: This submission is being made to extend the expiration date with no change to the burden hours.

Type of Review: Extension (without change).

Affected Public: Individuals and businesses.

Abstract: Executive Order 12862 directs Federal agencies to provide service to the public that matches or exceeds the best service available in the private sector. In order to work continuously to ensure that our programs are effective and meet our customers' needs, U.S. Customs and Border Protection (CBP) (hereafter "the Agency") seeks to obtain OMB approval of a generic clearance to collect qualitative feedback on our service delivery. By qualitative feedback we mean information that provides useful insights on perceptions and opinions, but are not statistical surveys that yield quantitative results that can be generalized to the population of study.

This collection of information is necessary to enable CBP to garner customer and stakeholder feedback in an efficient, timely manner, in accordance with our commitment to improving service delivery. The information collected from our
