Section 408(a) of ERISA authorizes the Secretary of Labor to grant administrative exemptions from the restrictions of section 406 of ERISA while section 4975(c)(2) of the Code authorizes the Secretary of Treasury or his delegate to grant exemptions from the prohibitions of section 4975(c)(1). The class exemption that is the subject of this submission would permit certain foreign exchange transactions between employee benefit plans and certain banks and broker-dealers that are parties in interest with respect to such plans. For purposes of this exemption, a foreign exchange transaction is the exchange of currency of one nation for the currency of another nation. This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6.
