SUPPLEMENTARY INFORMATION:

A. Purpose

GSA's Office of the Chief Information Officer (OCIO) issued “CIO IT Security Procedural Guide 09–48, *GSA IT Security Procedural Guide: Security and Privacy Acquisition Requirements*,” to provide IT security standards, policies and reporting requirements. The GSA OCIO also issued “CIO 12–2018, *GSA IT Policy Requirements Guide*” requiring contracting officers and the contracting officer's representatives to coordinate with GSA Information Technology approving officials or their delegate for review of contractor submissions which may impact GSA's internal information systems. These streamlined policies into two centralized policies will reduce contractors' time to comply with GSA's IT policies and increase the security of GSA's internal information systems. These policies include the requirement for contractors to submit an IT Security Plan to the contracting officer and contracting officer's representative that describes the processes and procedures that will be followed to ensure appropriate security of IT resources that are developed, processed, or used under the contract. The clause will also require that contractors submit written proof of IT security authorization six months after contract award, and verify that the IT Security Plan remains valid annually.

SUMMARY: GSA is updating guidance on the Non-Federal Recipients Report and Exchange/Sale Report. This bulletin supersedes and cancels GSA Bulletin FMR B-27, “Annual Executive Agency Reports on Excess and Exchange/Sale Personal Property,” issued on July 22, 2010, as this bulletin provides updated information on the same topic. SUPPLEMENTARY INFORMATION:**Background**

GSA has Governmentwide oversight and management responsibilities for the Exchange/Sale and Non-Federal Recipient Reports. GSA’s responsibilities include issuing appropriate regulations and monitoring agency adherence to the regulations through these reports.

On December 20, 2019, GAO publicly released its report GAO-20-101, “FEDERAL PROPERTY: Improved Monitoring, Oversight, and Data Would Help Understand Effects of Providing Property to Non-Federal Recipients.” The report recommended that “the GSA Administrator should direct the Office of Government-wide Policy to document in what circumstances excess property loaned to non-federal recipients should be reported and what property GSA is reporting on behalf of agencies, for example, by updating GSA guidance.” To address this recommendation, this bulletin is being issued to clarify the requirements to annually submit to GSA a report on personal property furnished within the United States to non-Federal recipients and a report on property exchanged or sold for replacement purposes. This bulletin also provides updated guidance on reporting loans to non-Federal recipients and clarifies what property GSA is reporting on behalf of agencies. This Bulletin supersedes and cancels GSA Bulletin FMR B-27. GSA Bulletin FMR B-51 is available at www.gsa.gov/reference/gsa-bulletins.

Authority: 40 U.S.C. 503 and 529.
