

VoIP providers to make any network changes necessary to ensure that users can dial 988 to reach the Lifeline. The Suicide Hotline Act states that the 988 designation shall take effect one year after enactment, but is silent on implementation. The implementation deadline set forth in the *Report and Order* “to allow sufficient time—but no more time than necessary—for covered providers to meet the challenges of implementing 10-digit dialing in 87 area codes and of making necessary changes to their switches” therefore remains unchanged by the Suicide Hotline Act.

Although the Suicide Hotline Act does not mention the Commission’s earlier designation of 988 in the *Report and Order*, we construe Congress’s independent designation of 988 in the Suicide Hotline Act as a ratification of the Commission’s designation. Accordingly, the *Report and Order* is unaffected by the Suicide Hotline Act, except that we now clarify that the designation of 988 as the universal telephone number within the United States for the national suicide prevention and mental health crisis hotline will take effect on October 17, 2021, which is one year after the date of enactment of the Suicide Hotline Act, and not on October 16, 2020. This clarification is necessary to make the *Report and Order* consistent with Congress’s clear intent that designation become effective one year after the date of enactment, as stated in section 3 of the Suicide Hotline Act. To the extent necessary, we hereby waive the October 16, 2020 effective date of the designation in the *Report and Order* until one year after the date of enactment of the Suicide Hotline Act. This waiver is necessary to effectuate Congress’s intent, and we are aware of no harm to the public interest that would be caused by adopting the effective date that Congress prescribed in the Suicide Hotline Act.

The proceeding this Notice initiates shall be treated as a “permit-but-disclose” proceeding in accordance with the Commission’s *ex parte* rules. Persons making *ex parte* presentations must file a copy of any written presentation or a memorandum summarizing any oral presentation within two business days after the presentation (unless a different deadline applicable to the Sunshine period applies). Persons making oral *ex parte* presentations are reminded that memoranda summarizing the presentation must (1) list all persons attending or otherwise participating in the meeting at which the *ex parte* presentation was made, and (2) summarize all data presented and

arguments made during the presentation. If the presentation consisted in whole or in part of the presentation of data or arguments already reflected in the presenter’s written comments, memoranda or other filings in the proceeding, the presenter may provide citations to such data or arguments in his or her prior comments, memoranda, or other filings (specifying the relevant page and/or paragraph numbers where such data or arguments can be found) in lieu of summarizing them in the memorandum. Documents shown or given to Commission staff during *ex parte* meetings are deemed to be written *ex parte* presentations and must be filed consistent with rule 1.1206(b). In proceedings governed by rule 1.49(f) or for which the Commission has made available a method of electronic filing, written *ex parte* presentations and memoranda summarizing oral *ex parte* presentations, and all attachments thereto, must be filed through the electronic comment filing system available for that proceeding, and must be filed in their native format (e.g., .doc, .xml, .ppt, searchable .pdf). Participants in this proceeding should familiarize themselves with the Commission’s *ex parte* rules.
