## DEPARTMENT OF HOMELAND SECURITY

### U.S. Customs and Border Protection

#### Notice of Issuance of Final Determination Concerning Three Vehicle Tracking Devices, a Satellite Device, an NFC Reader, and an NFC Keyring FOB

**AGENCY:** U.S. Customs and Border Protection, Department of Homeland Security.

**ACTION:** Notice of final determination.

**SUMMARY:** This document provides notice that U.S. Customs and Border

Protection (CBP) has issued a final determination concerning the country of origin of three vehicle tracking devices, a satellite device, a near field communication (NFC) reader, and an NFC keyring fob. Based upon the facts presented, CBP has concluded that the country of origin of the three vehicle tracking devices, the satellite device, and the NFC reader is Canada for purposes of U.S. Government procurement. The country of origin of the NFC keyring fob will be determined by the country of origin of the contactless integrated circuit (IC), which is usually Taiwan, but if unavailable, then either Thailand or Singapore will be the source country and the country of origin for purposes of U.S. Government procurement.

**DATES:** The final determination was issued on November 25, 2020. A copy of the final determination is attached. Any party-at-interest, as defined in 19 CFR 177.22(d), may seek judicial review of this final determination within January 8, 2021.

**FOR FURTHER INFORMATION CONTACT:** Beth Jenior, Valuation and Special Programs Branch, Regulations and Rulings, Office of Trade, at (202) 325-0347.

**SUPPLEMENTARY INFORMATION:** Notice is hereby given that on November 25, 2020, pursuant to subpart B of part 177, U.S. Customs and Border Protection Regulations (19 CFR part 177, subpart B), CBP issued a final determination concerning the country of origin of three vehicle tracking devices, one satellite device, one NFC reader, and one NFC keyring fob imported by Geotab USA, Inc. (Geotab), which may be offered to the U.S. Government under an undesignated government procurement contract. This final determination, Headquarters Ruling Letter H309128, was issued under procedures set forth at 19 CFR part 177, subpart B, which implements Title III of the Trade Agreements Act of 1979, as amended (19 U.S.C. 2511-18). In the final determination, CBP concluded that the country of origin of the three vehicle tracking devices, the satellite device, and the NFC reader is Canada for purposes of U.S. Government procurement. Regarding the NFC keyring fob, CBP concluded that the country of origin will be the country where the contactless integrated circuit is manufactured. In most cases, this will be Taiwan, but if the contactless integrated circuit cannot be sourced there, then it will be sourced from either Thailand or Singapore, and the corresponding sourcing country would then be the country of origin for

purposes of U.S. Government procurement.

Section 177.29, CBP Regulations (19 CFR 177.29), provides that a notice of final determination shall be published in the **Federal Register** within 60 days of the date the final determination is issued. Section 177.30, CBP Regulations (19 CFR 177.30), provides that any party-at-interest, as defined in 19 CFR 177.22(d), may seek judicial review of a final determination within 30 days of publication of such determination in the **Federal Register**.

Dated: November 25, 2020.
