

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁴ and Rule 19b-4(f)(6) thereunder.¹⁵

A proposed rule change filed under Rule 19b-4(f)(6)¹⁶ normally does not become operative for 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹⁷ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay. Waiver of the operative delay would allow the Exchange to immediately relocate its rules and continue to file other rules that are affected by this relocation in a timely manner. The Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest. Accordingly, the Commission waives the 30-day operative delay and designates the proposal operative upon filing.¹⁸

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule change should be approved or disapproved.

¹⁵ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

¹⁷ 17 CFR 240.19b-4(f)(6)(iii).

¹⁸ For purposes only of waiving the 30-day operative delay, the Commission has also considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

comment letters on the proposed rule change.

Section 19(b)(2) of the Act⁸ provides that, after initiating disapproval proceedings, the Commission shall issue an order approving or disapproving the proposed rule change not later than 180 days after the date of publication of notice of filing of the proposed rule change. The Commission may extend the period for issuing an order approving or disapproving the proposed rule change, however, by not more than 60 days if the Commission determines that a longer period is appropriate and publishes the reasons for such determination. The date of publication of notice of filing of the proposed rule change was June 22, 2020. December 19, 2020, is 180 days from that date, and February 17, 2021, is 240 days from that date.

The Commission finds it appropriate to designate a longer period within which to issue an order approving or disapproving the proposed rule change so that it has sufficient time to consider this proposed rule change. Accordingly, the Commission, pursuant to Section 19(b)(2) of the Act,⁹ designates February 17, 2021, as the date by which the Commission shall either approve or disapprove the proposed rule change (File No. SR-NYSEArca-2020-46).

Self-Regulatory Organizations; Cboe Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Relating To Adopt Temporary Rules To Extend the Time by Which Trading Permit Holders must Complete Their Office Inspections for the Calendar Year 2020 and To Provide Temporary Remote Inspection Relief for Their Office Inspections for Calendar Years 2020 and 2021

December 7, 2020.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the

“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on November 30, 2020, Cboe Exchange, Inc. (the “Exchange” or “Cboe Options”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Exchange filed the proposal as a “non-controversial” proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act³ and Rule 19b-4(f)(6) thereunder.⁴ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

Cboe Exchange, Inc. (the “Exchange” or “Cboe Options”) proposes to adopt temporary Rules to extend the time by which Trading Permit Holders must complete their office inspections for the calendar year 2020 and to provide temporary remote inspection relief for their office inspections for calendar years 2020 and 2021. The text of the proposed rule change is provided in Exhibit 5.

The text of the proposed rule change is also available on the Exchange’s website (<http://www.cboe.com/AboutCBOE/CBOELegalRegulatoryHome.aspx>), at the Exchange’s Office of the Secretary, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

In light of the operational challenges that Trading Permit Holders are facing due to the outbreak of the coronavirus disease (COVID-19), the Exchange proposes to extend the time by which Trading Permit Holders must complete their calendar year 2020 inspection obligations under Rule 8.6(f) (Office Inspections) and Rule 9.2(d) (Annual Branch Inspections) to March 31, 2021,⁵ and to provide Trading Permit Holders with the option to complete their calendar year 2020 and calendar year 2021 inspection obligations under Rules 8.16(f) and 9.2(d) remotely, without an on-site visit to the office or location.⁶

The Exchange has observed the impact of the COVID-19 pandemic on its Trading Permit Holders, investors, and the industry generally and recognizes that Trading Permit Holders are experiencing operational challenges with much of their personnel working from home due to stay-at-home orders, restrictions on businesses and social activity imposed in various states, and adherence to other social distancing guidelines consistent with the recommendations of public health officials.⁷ In response, like many employers across the United States, Trading Permit Holder organizations

⁵ The proposed rule change will automatically sunset on March 31, 2021. If the Exchange seeks to provide additional temporary relief from the rule requirement identified in this proposal beyond March 31, 2021, it will submit a separate rule filing to further extend the temporary extension of time.

⁶ The proposed rule change will automatically sunset on December 31, 2021. If the Exchange seeks to extend the duration of the temporary proposed rule beyond December 31, 2021, it will submit a separate rule filing to further renew the temporary relief. The Exchange notes that SEC staff has stated in guidance that inspections must include a physical, on-site review component. See SEC National Examination Risk Alert, Volume I, Issue 2 (November 30, 2011); SEC Division of Market Regulation, Staff Legal Bulletin No. 17: Remote Office Supervision (March 19, 2004) (stating, in part, that broker-dealers that conduct business through geographically dispersed offices have not adequately discharged their supervisory obligations where there are no on-site routine or “for cause” inspections of those offices).
