## DEPARTMENT OF TRANSPORTATION

### Federal Aviation Administration

#### 14 CFR Part 71

[Docket No. FAA-2020-0826; Airspace Docket No. 20-AEA-15]

RIN 2120-AA66

#### Amendment of Class E Airspace; Dubois, PA

**AGENCY:** Federal Aviation Administration (FAA), DOT.

**ACTION:** Final rule.

**SUMMARY:** This action amends Class E surface airspace and Class E airspace extending upward from 700 feet above the surface in Dubois, PA, due to the decommissioning of the Clarion Very High Frequency Omnidirectional Range Tactical Air Navigational System (VORTAC) and cancellation of the associated instrument approach procedure at Dubois Regional Airport. This action also updates the name of the airport, as well as the name and geographic coordinates of Penn Highlands Healthcare-Dubois Heliport. Controlled airspace is necessary for the safety and management of instrument flight rules (IFR) operations in the area.

**DATES:** Effective 0901 UTC, February 25, 2021. The Director of the Federal Register approves this incorporation by reference action under Title 1 Code of Federal Regulations part 51, subject to the annual revision of FAA Order 7400.11 and publication of conforming amendments.

**ADDRESSES:** FAA Order 7400.11E, Airspace Designations and Reporting Points, and subsequent amendments can be viewed online at [https://www.faa.gov/air\\_traffic/publications/](https://www.faa.gov/air_traffic/publications/). For further information, you can contact the Airspace Policy Group, Federal Aviation Administration, 800 Independence Avenue SW, Washington, DC 20591; Telephone: (202) 267-8783. The Order is also available for inspection at the National Archives and Records Administration (NARA). For information on the availability of FAA Order 7400.11E at NARA, email [fedreg.legal@nara.gov](mailto:fedreg.legal@nara.gov) or go to <https://www.archives.gov/federal-register/cfr/ibr-locations.html>.

**FOR FURTHER INFORMATION CONTACT:** John Fornito, Operations Support Group, Eastern Service Center, Federal Aviation Administration, 1701 Columbia Avenue, College Park, GA 30337; Telephone (404) 305-6364.

#### SUPPLEMENTARY INFORMATION:

##### Authority for This Rulemaking

The FAA's authority to issue rules regarding aviation safety is found in Title 49 of the United States Code. Subtitle I, Section 106, describes the authority of the FAA Administrator. Subtitle VII, Aviation Programs, describes in more detail the scope of the agency's authority. This rulemaking is promulgated under the authority described in Subtitle VII, Part A, Subpart I, Section 40103. Under that section, the FAA is charged with prescribing regulations to assign the use of airspace necessary to ensure the safety of aircraft and the efficient use of airspace. This regulation is within the scope of that authority as it amends Class E airspace in Dubois, PA, to support IFR operations in the area.

##### History

The FAA published a notice of proposed rulemaking in the **Federal Register** (85 FR 59465, September 22, 2020) for Docket No. FAA-2020-0826 to amend Class E surface airspace from a 4-mile radius to a 4.8-mile radius, and remove all extensions. Also, the FAA proposed the amendment of Class E airspace extending upward from 700 feet above the surface in Dubois, PA, from a 8.5-mile radius to a 9.2-mile radius. In addition, the FAA proposed to update the geographic coordinates and name of the airport, as well as Penn Highland Healthcare-Dubois Heliport to coincide with the FAA's aeronautical database.

Subsequent to publication, the FAA found the names of DuBois Regional Airport and Penn Highland Healthcare-DuBois Heliport required updating. The correct names are Dubois Regional Airport and Penn Highlands Healthcare-Dubois Heliport. This action makes the update.

Interested parties were invited to participate in this rulemaking effort by submitting written comments on the proposal to the FAA. One comment supporting this action was received.

Class E airspace designations are published in Paragraph 6005 of FAA Order 7400.11E, dated July 21, 2020, and effective September 15, 2020, which is incorporated by reference in 14 CFR 71.1. The Class E airspace designations listed in this document will be published subsequently in the Order.

#### Availability and Summary of Documents for Incorporation by Reference

This document amends FAA Order 7400.11E, Airspace Designations and Reporting Points, dated July 21, 2020, and effective September 15, 2020. FAA Order 7400.11E is publicly available as listed in the **ADDRESSES** section of this document. FAA Order 7400.11E lists Class A, B, C, D, and E airspace areas, air traffic routes, and reporting points.

#### The Rule

This amendment to Title 14 Code of Federal Regulations (14 CFR) part 71 amends Class E surface airspace and Class E airspace extending upward from 700 feet above the surface at Dubois Regional Airport, (previously Du Bois-Jefferson County Airport), Dubois, PA, due to the decommissioning of the Clarion VORTAC and cancellation of the associated approach. In addition, the FAA updates the airport's name and the name and geographic coordinates of Penn Highlands Healthcare-Dubois Heliport, (previously Du Bois Regional Medical Center) to coincide with the FAA's aeronautical database.

Class E airspace designations are published in Paragraphs 6002 and 6005, respectively, of FAA Order 7400.11E, dated July 21, 2020, and effective September 15, 2020, which is incorporated by reference in 14 CFR 71.1. The Class E airspace designations listed in this document will be published subsequently in the Order.

FAA Order 7400.11, Airspace Designations and Reporting Points, is published yearly and effective on September 15.

#### Regulatory Notices and Analyses

The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore: (1) Is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that only affects air traffic procedures an air navigation, it is certified that this rule, when promulgated, does not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

## Environmental Review

The FAA has determined that this action qualifies for categorical exclusion under the National Environmental Policy Act in accordance with FAA Order 1050.1F, "Environmental Impacts: Policies and Procedures," paragraph 5–6.5a. This airspace action is not expected to cause any potentially significant environmental impacts, and no extraordinary circumstances exist that warrant preparation of an environmental assessment.

## Lists of Subjects in 14 CFR Part 71

Airspace, Incorporation by reference, Navigation (air).

## Adoption of the Amendment

In consideration of the foregoing, the Federal Aviation Administration amends 14 CFR part 71 as follows:

### PART 71—DESIGNATION OF CLASS A, B, C, D, AND E AIRSPACE AREAS; AIR TRAFFIC SERVICE ROUTES; AND REPORTING POINTS

■ 1. The authority citation for part 71 continues to read as follows:

**Authority:** 49 U.S.C. 106(f), 106(g); 40103, 40113, 40120; E.O. 10854, 24 FR 9565, 3 CFR, 1959–1963 Comp., p. 389.

#### § 71.1 [Amended]

■ 2. The incorporation by reference in 14 CFR 71.1 of FAA Order 7400.11E, Airspace Designations and Reporting Points, dated July 21, 2020, effective September 15, 2020, is amended as follows:

*Paragraph 6002 Class E Surface Airspace.*  
\* \* \* \* \*

#### AEA PA E2 Dubois, PA [Amended]

Dubois Regional Airport, PA  
(Lat. 41°10'42" N, long. 78°53'55" W)

That airspace extending upward from the surface within a 4.8-mile radius of Dubois Regional Airport. This Class E airspace is effective during the dates and times established in advance by a Notice to Airmen. The effective date and time will thereafter be continuously published in the Chart Supplement.

*Paragraph 6005 Class E Airspace Areas Extending Upward From 700 Feet or More Above the Surface of the Earth.*  
\* \* \* \* \*

#### AEA PA E5 Dubois, PA [Amended]

Dubois Regional Airport, PA  
(Lat. 41°10'42" N, long. 78°53'55" W)  
Penn Highlands Healthcare-Dubois Heliport Point In Space Coordinates  
(Lat. 41°06'52" N, long. 78°46'26" W)

That airspace extending upward from 700 feet or more above the surface within a 9.2-mile radius of Dubois Regional Airport and within a 6-mile radius of the Point In Space

Coordinates serving Penn Highlands Healthcare-Dubois Heliport.

Issued in College Park, Georgia, on December 7, 2020.

## DEPARTMENT OF STATE

### 22 CFR Part 120

[Public Notice: 11274]

### International Traffic in Arms Regulations: Notification of Temporary Suspension, Modification, or Exception to Regulations

**AGENCY:** Department of State.

**ACTION:** Extension of temporary suspensions, modifications, and exceptions.

**SUMMARY:** The Department of State is issuing this document to inform the public of a second extension to certain temporary suspensions, modifications, and exceptions to certain provisions of the International Traffic in Arms Regulations (ITAR) to provide for continued telework operations during the current SARS–COV2 public health emergency. This extension will terminate on June 30, 2021 unless otherwise extended in writing by the Directorate of Defense Trade Controls (DDTC). This action is taken in order to ensure continuity of operations among members of the regulated community.

**DATES:** This document is issued December 11, 2020.

**FOR FURTHER INFORMATION CONTACT:** Ms. Engda Wubneh, Office of Defense Trade Controls Policy, U.S. Department of State, telephone (202) 663–1809, or email [ddtccustomerservice@state.gov](mailto:ddtccustomerservice@state.gov). ATTN: June 2021 Extension of Suspension, Modification, and Exception.

**SUPPLEMENTARY INFORMATION:** In March 2020, the President declared a national emergency as a result of the COVID–19 pandemic. On May 1, 2020, the Department of State (the Department) published in the **Federal Register** a notification of certain temporary suspensions, modifications, and exceptions to the ITAR, necessary in order to ensure continuity of operations within the Directorate of Defense Trade Controls (DDTC) and among entities registered with DDTC pursuant to part 122 of the ITAR (85 FR 25287). These actions were taken pursuant to ITAR

§ 126.2, which allows for the temporary suspension or modification of provisions of the ITAR, and ITAR § 126.3, which allows for exceptions to provisions of the ITAR. These actions were taken in the interest of the security and foreign policy of the United States and warranted as a result of the exceptional and undue hardships and risks to safety caused by the public health emergency related to the SARS–COV2 pandemic.

Subsequently, on June 10, 2020, the Department published in the **Federal Register** a request for comment from the regulated community regarding the efficacy and termination dates of the temporary suspensions, modifications, and exceptions provided in 85 FR 25287, and requesting comment as to whether additional measures should be considered in response to the public health crisis. Of the four temporary suspensions, modifications, and exceptions to the ITAR announced in the May 1 notification referenced above, DDTC reviewed the public comments and decided to extend two measures until December 31, 2020: (1) ITAR § 120.39(a)(2) allowance for remote work; and (2) authorization to allow remote work under technical assistance agreement, manufacturing agreement, or exemption.

Based upon continued public health recommendations and as informed by responses to request for public comment in June 2020, it is apparent to DDTC that regulated entities will continue to engage in social distancing measures for the foreseeable future. Many commenters, one industry association, and several individual entities endorsed the telework provisions and requested that these measures be effective until the end of the year, if not extended indefinitely. DDTC agreed and extended the two measures until the end of 2020. DDTC is now extending these measures again until June 30, 2021 because DDTC believes that a failure to extend these temporary suspensions, modifications, and exceptions would have a negative impact on regulated entities' ability to safely engage in continued operations in the midst of the ongoing global public health emergency.

This second extension beyond December 31, 2020 is also necessary to provide time for DDTC to consider a permanent revision to the ITAR provisions relating to remote work. Although the Department is of the opinion that the notice and comment requirements of the Administrative Procedure Act are not applicable, in the coming months the Department intends to provide notice of and solicit comment related to proposed revisions to the
