Rural Housing Service

Title: Single Family Housing Guaranteed Loan Program.

OMB Control Number: 0575–0179.

Summary of Collection: The Housing and Community Facilities Program (HCFP), hereinafter referred to as the "Agency," is a credit agency for the Rural Housing Service of the U.S. Department of Agriculture. The Agency offers supervised credit programs to build modest housing and essential community facilities in rural areas. This regulation prescribes the policy necessary to process Rural Housing loan guarantees to low- and moderate-income applicants. Section 517 (d) of Title V of the Housing Act of 1949, as amended, provides the authority for the Secretary of Agriculture to issue loan guarantees for the acquisition of new or existing dwellings and related facilities to provide decent, safe, and sanitary living conditions and other structures in rural areas.

The purpose of the Single-Family Housing Guaranteed Loan Program (SFHGLP) is to assist low and moderate-income individuals and families in acquiring or constructing a single-family residence in designated rural areas with loans originated and serviced by private lenders. Eligibility for this program includes very low, low, and moderate-income families or persons whose income does not exceed 115 percent of the median income for the area, as determined by the Secretary.

Need and Use of the Information: Information is collected from both a potential homebuyer and lender. To participate in the program, lenders must submit to standards which ensure the loan objectives of the SFHGLP are met. The lender submits qualifications to the Agency and enters into an agreement that outlines both the lender and Agency's commitments and responsibilities under the guaranteed program. Information from a homebuyer includes financial documents such as confirmation of household income, assets and liabilities, a credit record, evidence the homebuyer has adequate repayment ability for the loan amount requested and if the condition and location of the property meet program guidelines. All information collected is vital for the Agency to determine if

borrowers qualify for all assistance for which they are eligible.

Description of Respondents: Business or other for-profit; State, Local or Tribal Government.

Number of Respondents: 2,520.

Frequency of Responses: Reporting: Monthly; Quarterly; Annually.

Total Burden Hours: 1,327,476.
