⁴ In Amendment No. 1, the Exchange: (1) Limited the scope of its original proposal, which would have permitted orders for the accounts of market makers with an appointment in any class to be solicited for the initiating order in an AIM or FLEX AIM auction in that class, to only allow market makers with an appointment in SPX to be solicited for the initiating order in an AIM or FLEX AIM auction in SPX; and (2) provided additional data, justification, and support for its modified proposal. notice of filing of the proposed rule change. The Commission may extend the period for issuing an order approving or disapproving the proposed rule change, however, by not more than 60 days if the Commission determines that a longer period is appropriate and publishes the reasons for such determination. The date of publication of notice of filing of the proposed rule change was June 18, 2020. December 15, 2020, is 180 days from that date, and February 13, 2021, is 240 days from that date.
