[Release No. 34-90591; File No. SR-PEARL-2020-34]

**Self-Regulatory Organizations; MIA X PEARL, LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend the Equities Fee Schedule**

December 8, 2020.

Pursuant to the provisions of Section 19(b)(1) of the Securities Exchange Act

of 1934 ("Act")<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on December 4, 2020, MIA X PEARL, LLC ("MIA X PEARL" or "Exchange") filed with the Securities and Exchange Commission ("Commission") a proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

**I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change**

The Exchange is filing a proposal to amend the fee schedule applicable for MIA X PEARL Equities, an equities trading facility of the Exchange (the "Fee Schedule").<sup>3</sup> The proposed changes are scheduled to become operative on December 4, 2020.

The text of the proposed rule change is available on the Exchange's website at <http://www.miaxoptions.com/rule-filings/pearl> at MIA X PEARL's principal office, and at the Commission's Public Reference Room.

**II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

*A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change*

*1. Purpose*

The purpose of the proposed rule change is to amend the Fee Schedule applicable to MIA X PEARL Equities to amend pricing for securities priced below \$1.00 that are executed on MIA X PEARL Equities.

The Exchange operates in a highly competitive market in which market participants can readily direct order flow to competing venues if they deem fee levels at a particular venue to be excessive or rebates/incentives to be

insufficient. More specifically, the Exchange is only one of several equities venues (including both registered exchanges and various alternative trading systems) to which market participants may direct their order flow and execute their trades. Indeed, equity trading is currently dispersed across 16 exchanges,<sup>4</sup> 31 alternative trading systems,<sup>5</sup> and numerous broker-dealer internalizers and wholesalers, all competing for order flow. Based on publicly available information, no single registered equities exchange currently has more than approximately 20% of total market share.<sup>6</sup> Thus, in such a low-concentrated and highly competitive market, no single equities trading venue possesses significant pricing power in the execution of trades, and, the Exchange currently represents a very small percentage of the overall market.

The purpose of this proposed fee change is for business and competitive reasons. As a new entrant into the equities market, the Exchange initially adopted a fee structure that provided that orders in securities priced below \$1.00 would be free that executed at MIA X PEARL Equities, regardless of whether they add or remove liquidity to encourage market participants to submit orders to the Exchange. In response to competitive forces,<sup>7</sup> the Exchange recently adopted fees and rebates for securities priced below \$1.00 where it charges a standard fee of 0.30% of the total dollar value of any transaction in securities priced below \$1.00 that removes liquidity from MIA X PEARL Equities and provides a standard rebate of 0.30% of the total dollar value of any transaction in securities priced below \$1.00 that adds displayed or non-displayed liquidity to MIA X PEARL Equities.<sup>8</sup>

Again in response to competitive forces,<sup>9</sup> the Exchange proposes herein to lower both the fee and rebate for securities priced below \$1.00. Specifically, the Exchange now
