**SUPPLEMENTARY INFORMATION:** *Title:* Reporting information for the AMC Registry.

*OMB Number:* 3139-0009.

*Abstract:* The Dodd-Frank Act requires the ASC to maintain the National Registry of Appraisal Management Companies (AMC Registry) of those AMCs that are either: (1) registered with and subject to supervision by a State that has elected to register and supervise AMCs; or (2) are Federally regulated AMCs. In order for a State that elects to register and supervise AMCs to enter an AMC on the AMC Registry, the following items are required entries by the State via extranet application on the AMC Registry: State Abbreviation

State Registration Number for AMC  
Employer Identification Number (EIN)  
AMC Name  
Street Address  
City  
State  
Zip  
License or Registration Status

Effective Date  
Expiration Date  
AMC Type (State or multi-State)  
Disciplinary Action  
Effective Date  
Expiration Date  
Number of Appraisers (for invoicing registry fee)

States listing AMCs on the AMC Registry enter the above information for each AMC for the initial entry only. After the initial entry, the information is retained on the AMC Registry, and will only need to be amended if necessary by the State. The estimate for burden assumes that 51 States will elect to register and supervise AMCs, and that the average number of AMCs in a State will be 90. This estimate is based on information currently available on the AMC Registry, and will be high for some States, and low for other States. As of December 11, 2020, 36 States are submitting data to the AMC Registry. The initial entry by a State on a single AMC is estimated to take 15 minutes. Subsequent entries to amend information on an AMC, annually or periodically, are estimated to be negligible.

*Current Action:* Annual Burden has been decreased from 1,875 hours to 1,173 as the number of 150 that was used in the original estimate has been decreased to 90.

*Type of Review:* Extension of a currently approved collection.

*Affected Public:* States.

*Estimated Number of Respondents:* 51 States.

*Estimated burden per Response:* 15 minutes.

*Frequency of Response:* Annually and on occasion.

*Estimated total Annual Burden:* 1,173 hours.

By the Appraisal Subcommittee,

**James R. Park,**

*Executive Director.*
