

*Use:* Section 1853(o) of the Social Security Act (the Act) requires CMS to make QBP to MA organizations that achieve performance rating scores of at least 4 stars under a five-star rating system. While CMS has applied a Star Rating system to MA organizations for a number of years, prior to the QBP program these Star Ratings were used only to provide additional information for beneficiaries to consider in making their Part C and D plan elections. Additionally, section 1854(b)(1)(C)(v) of the Act, as added by the Affordable Care Act, also requires CMS to change the share of savings that MA organizations must provide to enrollees as the beneficiary rebate specified at § 422.266(a) based on the level of a sponsor's Star Rating for quality performance.

The information collected on the Request for Reconsideration form from MA organizations is considered by the reconsideration official and potentially the hearing officer to review CMS's determination of the organization's eligibility for a QBP. The form asks MA organizations to select the Star Ratings measure(s) they believe was miscalculated or used incorrect data and describe what they believe is the issue. Under § 422.260(c)(3)(ii) these are the only bases for appeals. In conducting the reconsideration, the reconsideration official will review the QBP determination, the evidence and findings upon which it was based, and any other written evidence submitted by the organization with their Request for Reconsideration or by CMS before the reconsideration determination is made.

The administrative review process is a two-step process that includes a request for reconsideration and a request for an informal hearing on the record after CMS has sent the MA organization the reconsideration decision. Both steps are conducted at the contract level. The first step allows the MA organization to request a reconsideration of how its Star Rating for the given measure in question was calculated and/or what data were included in the measure. If the MA organization is dissatisfied with CMS's reconsideration decision, the contract may request an informal hearing to be conducted by a hearing officer designated by CMS. MA organizations will have 10 business days from the time we issue the notice of QBP status to submit a request for reconsideration. MA organizations will have 10 business days after the issuance of the reconsideration determination to request an informal hearing on the record. *Form Number:* CMS-10346 (OMB control number: 0938-1129);
