POLICY JUSTIFICATION

Romania—F-16 Modernization and Logistics Support

The Government of Romania has requested to buy upgrades to the avionics, software, communication equipment, navigational aids, and cockpit of its Mid-Life Update (MLU) Block 15 F-16 aircraft fleet along with additional logistics support. Included in the aircraft modernization are eight (8) LN-260 Global Positioning System (GPS) and nineteen (19) Multifunctional Information Distribution System Joint Tactical Radio Systems (MIDS JTRS). Also included is AN/APX-126 Advanced Identification Friend or Foe (IFF); ARC-210 Radios; KIV-78 Cryptographic Appliques; other secure communications, navigation, and encryption devices; Joint Mission Planning System (JMPS) software; aircraft minor modification, integration and test support, support equipment, software and software support; personnel training; spare and repair parts; publications and technical documentation; U.S. Government and contractor engineering, technical and logistical support services; and other related elements of logistical and program support. The estimated total cost is \$175.4 million.

This proposed sale will support the foreign policy goals and national security of the United States by helping to improve the security of a NATO ally in developing and maintaining a strong

and ready self-defense capability. This proposed sale will enhance U.S. national security objectives in the region.

The proposed sale will improve Romania's capability to meet current and future threats by upgrading its avionics to meet interoperability requirements for encrypted communications systems used by NATO forces. This increased secure communications capability will assist Romania in the defense of its homeland and U.S. personnel stationed there. Romania has demonstrated a significant financial commitment to modernizing its military, which will further enhance its interoperability with NATO. Romania will have no difficulty absorbing these capabilities into its armed forces.

The proposed sale of this equipment and support will not alter the basic military balance in the region.

The principal contractor will be Lockheed Martin Aeronautics Company of Fort Worth, TX. There are no known offset agreements proposed in connection with this potential sale.

Implementation of this proposed sale will not require the assignment of U.S. Government or contractor representatives in Romania.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.

Transmittal No. 20-83

Notice of Proposed Issuance of Letter of Offer Pursuant to Section 36(b)(1) of the Arms Export Control Act

Annex

Item No. vii

(vii) *Sensitivity of Technology*:

1. The embedded GPS-INS (EGI) LN-260 is a sensor that combines GPS and inertial sensor inputs to provide accurate location information for navigating and targeting.

2. The Multifunctional Information Distribution System with Joint Tactical Radio System (MIDS JTRS) is an advanced Link-16 command, control, communications, and intelligence (C3I) system incorporating high-capacity, jam-resistant, digital communications links for exchange of near real-time tactical information, including both data and voice, among air, ground and sea elements.

3. The AN/APX-126 Advanced Identification Friend or Foe (IFF) Combined Interrogator Transponder (CIT) is a system capable of transmitting and interrogating Mode 5.

4. The ARC-210 UHF/VHF secure radio with HAVE QUICK II is a voice communications radio system that can

operate in either normal, secure, and/or jam-resistant modes.

5. The KIV-78 is a crypto applique for IFF. It can be loaded with Mode 5 classified elements.

6. The Joint Mission Planning System (JMPS) is a multi-platform PC based mission planning system.

7. The highest level of classification of information included in this potential sale is SECRET.

8. If a technologically advanced adversary were to obtain knowledge of the specific hardware and software elements, the information could be used to develop countermeasures that might reduce weapon system effectiveness or be used in the development of a system with similar or advanced capabilities.

9. A determination has been made that Romania can provide substantially the same degree of protection for the sensitive technology being released as the U.S. Government. This sale is necessary in furtherance of the U.S. foreign policy and national security objectives outlined in the Policy Justification.

10. All defense articles and services listed in this transmittal have been authorized for release and export to the Government of Romania.

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The purposes of the Educational Technology, Media, and Materials for Individuals with Disabilities Program are to improve results for children with disabilities by: (1) Promoting the development, demonstration, and use of technology; (2) supporting educational activities designed to be of educational value in the classroom; (3) providing support for captioning and video description that is appropriate for use in the classroom; and (4) providing accessible educational materials to children with disabilities in a timely manner.¹

Priority: This competition includes one absolute priority. In accordance with 34 CFR 75.105(b)(2)(v), this priority is from allowable activities specified in sections 674(c)(1)(D) and 681(d) of the Individuals with Disabilities Education Act (IDEA); 20 U.S.C. 1474(c)(1)(D) and 1481(d).

Absolute Priority: For FY 2021 and any subsequent year in which we make awards from the list of unfunded applications from this competition, this priority is an absolute priority. Under 34 CFR 75.105(c)(3), we consider only applications that meet this priority.

¹ Applicants should note that other laws, including the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 *et seq.*; 28 CFR part 35) and section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 794; 34 CFR part 104), may require that State educational agencies (SEAs) and local educational agencies (LEAs) provide captioning, video description, and other accessible educational materials to students with disabilities when these materials are necessary to provide equally integrated and equally effective access to the benefits of the educational program or activity, or as part of a “free appropriate public education” as defined in 34 CFR 104.33.
