

ADMINISTRATIVE, TECHNICAL, AND PHYSICAL SAFEGUARDS:

Multifactor log-in authentication including CAC authentication and password; SIPR token as required. Access controls enforce need-to-know policies so only authorized users have access to PII. Additionally, security audit and accountability policies and procedures directly support privacy and accountability procedures. Network encryption protects data transmitted over the network while disk encryption secures the disks storing data. Key management services safeguards encryption keys. Sensitive data is identified and masked as practicable. All individuals granted access to this system of records must complete requisite training to include Information Assurance and Privacy Act training. Sensitive data will be identified, properly marked with access by only those with a need to know, and safeguarded as appropriate. Physical access to servers are controlled at building access points utilizing detection systems other electronic alert systems. Electronic intrusion detection systems are installed within the facilities to monitor, detect, and automatically alert appropriate personnel of security incidents. Access to server rooms are secured with devices that require each individual to provide multi-factor authentication before granting entry or exit.

RECORD ACCESS PROCEDURES:

Individuals seeking access to their records should address written inquiries to the DoD office with oversight of the records. The public may identify the appropriate DoD office through the following website: www.FOIA.gov. Signed written requests should contain the name and number of this system of records notice along with the full name, identifier (*i.e.*, DoD ID Number or Defense Benefits Number), date of birth, current address, and telephone number of the individual. In addition, the requester must provide either a notarized statement or an unsworn declaration made in accordance with 28 U.S.C. 1746, in the appropriate format:

If executed outside the United States: "I declare (or certify, verify, or state) under penalty of perjury under the laws of the United States of America that the foregoing is true and correct. Executed on (date). (Signature)."

If executed within the United States, its territories, possessions, or commonwealths: "I declare (or certify, verify, or state) under penalty of perjury that the foregoing is true and correct. Executed on (date). (Signature)."

CONTESTING RECORD PROCEDURES:

The DoD rules for accessing records, contesting contents, and appealing initial agency determinations are contained in 32 CFR part 310, or may be obtained from the system manager.

NOTIFICATION PROCEDURES:

Individuals seeking to determine whether information about themselves is contained in this system should address written inquiries to the appropriate system managers(s). Signed written requests should contain the full name, identifier (*i.e.* DoD ID Number or DoD Benefits Number), date of birth, and current address and telephone number of the individual. In addition, the requester must provide either a notarized statement or an unsworn declaration made in accordance with 28 U.S.C. 1746, in the appropriate format:

If executed outside the United States: "I declare (or certify, verify, or state) under penalty of perjury under the laws of the United States of America that the foregoing is true and correct. Executed on (date). (Signature)."

If executed within the United States, its territories, possessions, or commonwealths: "I declare (or certify, verify, or state) under penalty of perjury that the foregoing is true and correct. Executed on (date). (Signature)."

EXEMPTIONS PROMULGATED FOR THE SYSTEM:

The DoD has exempted records maintained in this system from 5 U.S.C. 552a(c)(3), (d)(1), (2), (3), and (4) of the Privacy Act, pursuant to 5 U.S.C. 552a(k)(1). In addition, when exempt records received from other systems of records become part of this system, the DoD also claims the same exemptions for those records that are claimed for the original primary systems of records from which they originated and claims any additional exemptions set forth here. An exemption rule for this system has been promulgated in accordance with requirements of 5 U.S.C. 553(b)(1), (2), and (3), (c), and published in 32 CFR part 310.
