SUPPLEMENTARY INFORMATION: The 2501 Program was created through the 1990 Farm Bill to assist socially disadvantaged farmers, ranchers, and foresters, who have historically experienced limited access to USDA loans, grants, training, and technical assistance. The 2014 Farm Bill

expanded the program’s reach to assist veterans.

Under this program, grants are awarded to higher education institutions and nonprofit and community-based organizations to extend USDA’s engagement efforts in these communities. Projects funded under the 2501 Program include but are not limited to conferences, workshops, and demonstrations on various farming techniques, and connecting underserved farmers and ranchers to USDA local officials to increase awareness of USDA’s programs and services while filling the needs for increased partnerships. Since 2010, the 2501 program has awarded 533 grants totaling more than \$138 million.

Deputy Director, Office of Partnerships and Public Engagement.
