Title and OMB Number: Defense Federal Acquisition Regulation Supplement (DFARS) Part 239, Acquisition of Information Technology, and the associated clause at DFARS 252.239-7000; OMB Control Number 0704-0341.

Affected Public: Businesses or other for-profit and not-for-profit institutions.

Respondent's Obligation: Required to obtain or retain benefits.

Type of Request: Revision and extension of a currently approved collection.

Reporting Frequency: On occasion.

Number of Respondents: 820.

Responses per Respondent: Approximately 7.

Annual Responses: 5,932.

Average Burden per Response: Approximately 0.5 hour.

Annual Burden Hours: 3,025.

Needs and Uses: This requirement provides for the collection of information from contractors regarding security of information technology and proposals from common carriers to perform special construction under contracts for telecommunications services. Contracting officers and other DoD personnel use the information to ensure that information technology is protected and to establish reasonable prices for special construction by common carriers.

The clause at DFARS 252.239-7000, Protection Against Compromising Emanations, requires that the contractor provide, upon request of the contracting officer, documentation that information technology used or provided under the contract meets appropriate information assurance requirements. DFARS 239.7408 requires the contracting officer to obtain a detailed special construction proposal from a common carrier that submits a proposal or quotation that has special construction requirements related to the performance of basic telecommunications services.

Comments and recommendations on the proposed information collection should be sent to Ms. Susan Minson, DoD Desk Officer, at Oira_submission@omb.eop.gov. Please identify the proposed information collection by DoD Desk Officer and the Docket ID number and title of the information collection.

SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: National Industrial Security System (NISS) OMB Control Number 0704-0571.

Type of Request: Revision.

Number of Respondents: 11,671.

Responses per Respondent: 1.

Annual Responses: 11,671.

Average Burden per Response: 60 minutes.

Annual Burden Hours: 11,671.

Needs and Uses: The information collection requirement is necessary for DCSA to oversee the National Industrial Security Program (NISP) pursuant to Executive Order 12829. The National Industrial Security System (NISS) is the

primary collection instrument for DCSA oversight of the NISP and maintaining data associated with cleared facilities and their oversight. The NISS is the repository of records related to the maintenance of information pertaining to contractor facility security clearances (FCL) and contractor capabilities to protect classified information in its possession. The information is utilized to determine if a company and its key management personnel are eligible for issuance of a facility clearance in accordance with NISPOM requirements. In addition, information is utilized to inform Government Contracting Activities (GCAs) of contractor's ability to maintain facility clearance status and/or storage capability as well as to analyze vulnerabilities identified within security programs and ensure proper mitigation actions are taken to preclude unauthorized disclosure of classified information.

Affected Public: Business or other for-profit; Federal Government; not-for-profit institutions.
