

Access Interview Guide; OMB Control Number 0701–XXXX.

Needs and Uses: The information collection requirement is necessary to receive verbal feedback from U.S. Air Force embedded mental healthcare providers (who are contractors) on their experiences providing mental healthcare services to airmen within the unit. These interviews are part of a programmatic improvement study to examine the experiences of embedded mental healthcare providers as well as the airmen that they serve in order to improve delivery of care. The results of this short-term study will be used to shape line and medical leadership strategies geared toward improving embedded mental healthcare capabilities for airmen in tip-of-the-spear communities, as well as readiness and availability of airmen in these environments.

Affected Public: Individuals or households.

Annual Burden Hours: 15.

Number of Respondents: 30.

Responses per Respondent: 1.

Annual Responses: 30.

Average Burden per Response: 30 minutes.

Frequency: Annually.

Respondents are U.S. Air Force embedded mental healthcare providers (e.g., psychologists, social workers) who are embedded within units to provide on-the-spot consultation to airmen. Embedded mental healthcare providers are comprised of U.S. Air Force military members, civilians, and contractors. This Information Collection Notice is to speak with contractors, specifically, in an embedded mental healthcare role about the barriers and strategies encountered in their role.

[Docket ID: USA–2020–HQ–0016]

Submission for OMB Review; Comment Request

AGENCY: Department of the Army, Department of Defense (DoD).

ACTION: 30-Day information collection notice.

SUMMARY: The DoD has submitted to OMB for clearance the following proposal for collection of information

under the provisions of the Paperwork Reduction Act.

DATES: Consideration will be given to all comments received by February 12, 2021.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: Installation Management Command Survivor Outreach Service System (SOS IMCOM); OMB Control Number 0702–XXXX.

Type of Request: New collection.

Number of Respondents: 72,307.

Responses per Respondent: 2.49.

Annual Responses: 180,044.

Average Burden per Response: 18 minutes.

Annual Burden Hours: 54,013.

Needs and Uses: Survivor Outreach Services is an Army-wide program that provides dedicated and comprehensive support services to all Family members of Soldiers who die while on Active Duty, including Regular Army, United States Army National Guard (ARNG) and Reserves patrons. Survivor Outreach Services Support Coordinators serve as the main Survivor advocate. They facilitate support groups, provide life skills education, assist Survivors in managing applicable life-long benefit transition milestones, connect Survivors with counseling resources, and represent the command in contacts with community organizations. Survivor Outreach Services Financial Counselors help Survivors by assisting with budget counseling, debt management, education, and higher education needs. SOS staff members are required to make periodic communication with Survivors—at a minimum of one contact annually—to conduct well-being checks and milestone management reviews or determine the level of support Survivors desire. Information gathered in these meetings is input into the SOS application collection instrument by SOS staff members. No customers have access to the collection instrument. SOS staff members collect the information from the Survivors and document the information as a direct contact within the SOS application case notes. The

successful end result of the information collection as a whole is an organized and up-to-date database of essential information on Survivors that allows SOS to better provide the support they deserve.

Defense Acquisition Regulations System

[Docket Number DARS–2020–0042; OMB Control Number 0704–0341]

Information Collection Requirement; Defense Federal Acquisition Regulation Supplement; Part 239, Acquisition of Information Technology

AGENCY: Defense Acquisition Regulations System, Department of Defense (DoD).

ACTION: Notice.

SUMMARY: The Defense Acquisition Regulations System has submitted to OMB for clearance, the following proposed revision and extension of a collection of information under the provisions of the Paperwork Reduction Act.

DATES: Consideration will be given to all comments received by February 12, 2021.

FOR FURTHER INFORMATION CONTACT: Ms. Heather Kitchens, 571-372-6104.

SUPPLEMENTARY INFORMATION:

Title and OMB Number: Defense Federal Acquisition Regulation Supplement (DFARS) Part 239, Acquisition of Information Technology, and the associated clause at DFARS 252.239-7000; OMB Control Number 0704-0341.

Affected Public: Businesses or other for-profit and not-for-profit institutions.

Respondent's Obligation: Required to obtain or retain benefits.

Type of Request: Revision and extension of a currently approved collection.

Reporting Frequency: On occasion.

Number of Respondents: 820.

Responses per Respondent: Approximately 7.

Annual Responses: 5,932.

Average Burden per Response: Approximately 0.5 hour.

Annual Burden Hours: 3,025.

Needs and Uses: This requirement provides for the collection of information from contractors regarding security of information technology and proposals from common carriers to perform special construction under contracts for telecommunications services. Contracting officers and other DoD personnel use the information to ensure that information technology is protected and to establish reasonable prices for special construction by common carriers.

The clause at DFARS 252.239-7000, Protection Against Compromising Emanations, requires that the contractor provide, upon request of the contracting officer, documentation that information technology used or provided under the contract meets appropriate information assurance requirements. DFARS 239.7408 requires the contracting officer to obtain a detailed special construction proposal from a common carrier that submits a proposal or quotation that has special construction requirements related to the performance of basic telecommunications services.

Comments and recommendations on the proposed information collection should be sent to Ms. Susan Minson, DoD Desk Officer, at Oira_submission@omb.eop.gov. Please identify the proposed information collection by DoD Desk Officer and the Docket ID number and title of the information collection.

Type of Request: Revision.

Number of Respondents: 11,671.

Responses per Respondent: 1.

Annual Responses: 11,671.

Average Burden per Response: 60 minutes.

Annual Burden Hours: 11,671.

Needs and Uses: The information collection requirement is necessary for DCSA to oversee the National Industrial Security Program (NISP) pursuant to Executive Order 12829. The National Industrial Security System (NISS) is the

primary collection instrument for DCSA oversight of the NISP and maintaining data associated with cleared facilities and their oversight. The NISS is the repository of records related to the maintenance of information pertaining to contractor facility security clearances (FCL) and contractor capabilities to protect classified information in its possession. The information is utilized to determine if a company and its key management personnel are eligible for issuance of a facility clearance in accordance with NISPOM requirements. In addition, information is utilized to inform Government Contracting Activities (GCAs) of contractor's ability to maintain facility clearance status and/or storage capability as well as to analyze vulnerabilities identified within security programs and ensure proper mitigation actions are taken to preclude unauthorized disclosure of classified information.
