SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: Needs Assessment of Child and Youth Non-Medical Counseling; OMB Control Number 0704-XXXX.

Needs and Uses: In order for the DoD to best and most efficiently serve the needs of military children, it is important to know how the CYB-MFLC program fits within the landscape of family and child support systems to meet the needs and expectations of stakeholders. It is also important to identify where gaps in services remain and to identify the emerging needs of military children and youth that could be potentially filled or addressed by the CYB-MFLC program. Assessing how prevalent those needs and gaps are, and whether there is variation in these needs across locations, will inform modifications to the program to strengthen alignment of the scope of its services with other sources of support, resulting in improved coordinated care for military children in the school environment.

Affected Public: Individuals or Households.

Annual Burden Hours: 45.

Number of Respondents: 180.

Responses per Respondent: 1.

Annual Responses: 180.

Average Burden per Response: 15 minutes.

Frequency: Once.

Respondents are school principals at civilian schools involved with the CYB-MFLC program. Respondents will provide information, currently not available in any other source, about the breadth and depth of the unique non-medical counseling needs of military children and the ways in which the CYB-MFLC program is or is not meeting those needs.

Dated: January 12, 2021.

*Annual Burden Hours: 960.
Needs and Uses: The information collection requirement is necessary to verify that Local Redevelopment Authority (LRA) recipients of Economic Development Conveyances (EDCs) are in compliance with the requirement that the LRA reinvest proceeds from the use of EDC property for seven years. Respondents are LRAs that have executed EDC agreements with a Military Department that transferred property from a closed military installation. The Secretary of Defense may recoup from the LRA such portion of these proceeds not used to support the economic redevelopment of, or related to, the installation. LRAs are subject to this same seven-year reinvestment requirement if their EDC agreement is modified to reduce the debt owed to the Federal Government.
