In the event that the submitter cannot provide a non-confidential version of its submission, the USPTO requests that the submitter post a notice in the docket stating that it has provided the USPTO with business confidential information. Should a submitter either fail to docket a non-confidential version of its submission or to post a notice that business confidential information has been provided, the USPTO will note the receipt of the submission on the docket with the submitter's organization or name (to the degree permitted by law) and the date of submission.

Anonymous submissions: The USPTO will accept anonymous submissions. Enter "N/A" in the required fields if you wish to remain anonymous.

FOR FURTHER INFORMATION CONTACT: Laura Hammel, by telephone at 571-272-9300.

SUPPLEMENTARY INFORMATION: At the request of Senators Thom Tillis and Patrick Leahy, the USPTO is undertaking a study of the extent to which patent or trademark rights holders are experiencing infringement by state entities without adequate remedies under state law, and the extent to which such infringements appear to be based on intentional or reckless conduct.

On November 5, 2020, the USPTO published a notice in the **Federal Register** seeking public input on these matters. See 85 FR 70589 (Nov. 5, 2020). That notice set forth various questions relevant to the study. The USPTO appreciates the submissions received to date in response to that notice and will consider them in preparing the study. In addition, the USPTO now invites interested members of the public to respond to questions posed in that notice, and/or to the below questions. The public can also provide any other information it believes to be relevant.

1. If you are a patent or trademark right holder, has a state government or state entity ever used your patent or trademark without permission? If yes: (a) Did you pursue legal action for that use? Why or why not? (b) Were you able to seek relief under state law? (c) Did the availability of the defense of sovereign immunity deter you from litigating the matter in federal court?

2. As a state or state entity, do you believe that (a) your state or state entity has policies or practices that provide safeguards against the intentional or reckless infringement of patents and trademarks, and (b) relevant state laws

provide adequate remedies if infringement occurs?

Andrei Iancu,

Under Secretary of Commerce for Intellectual Property and Director of the United States Patent and Trademark Office.
