

Coordinator for Health Information Technology (National Coordinator). The HITAC will hold public meetings throughout 2021. See list of public meetings below.

FOR FURTHER INFORMATION CONTACT:

Lauren Richie, Designated Federal Officer, at Lauren.Richie@hhs.gov, (202) 205-7674.

SUPPLEMENTARY INFORMATION: Section 4003(e) of the 21st Century Cures Act (Pub. L. 114-255) establishes the Health Information Technology Advisory Committee (referred to as the “HITAC”). The HITAC will be governed by the provisions of the Federal Advisory Committee Act (FACA) (Pub. L. 92-463), as amended, (5 U.S.C. App.), which sets forth standards for the formation and use of federal advisory committees.

Composition

The HITAC is comprised of at least 25 members, of which:

- No fewer than 2 members are advocates for patients or consumers of health information technology;
- 3 members are appointed by the HHS Secretary;
 - 1 of whom shall be appointed to represent the Department of Health and Human Services; and
 - 1 of whom shall be a public health official;
- 2 members are appointed by the majority leader of the Senate;
- 2 members are appointed by the minority leader of the Senate;
- 2 members are appointed by the Speaker of the House of Representatives;
- 2 members are appointed by the minority leader of the House of Representatives; and
- Other members are appointed by the Comptroller General of the United States.

Members will serve for one-, two-, or three-year terms. All members may be reappointed for a subsequent three-year term. Each member is limited to two three-year terms, not to exceed six years of service. Members serve without pay, but will be provided per-diem and travel costs for committee services, if warranted.

Recommendations

The HITAC recommendations to the National Coordinator are publicly available at <https://www.healthit.gov/topic/federal-advisory-committees/recommendations-national-coordinator-health-it>.

Public Meetings

The schedule of meetings to be held in 2021 is as follows:

- January 13, 2021 from approximately 9:30 a.m. to 2:30 p.m./ Eastern Time (virtual meeting)
- February 10, 2021 from approximately 9:30 a.m. to 2:30 p.m./ Eastern Time (virtual meeting)
- March 10, 2021 from approximately 9:30 a.m. to 2:30 p.m./ Eastern Time (virtual meeting)
- April 15, 2021 from approximately 9:30 a.m. to 2:30 p.m./ Eastern Time (virtual meeting)
- May 13, 2021 from approximately 9:30 a.m. to 2:30 p.m./ Eastern Time (virtual meeting)
- June 9, 2021 from approximately 9:30 a.m. to 2:30 p.m./ Eastern Time (virtual meeting)
- July 14, 2021 from approximately 9:30 a.m. to 2:30 p.m./ Eastern Time (virtual meeting)
- September 9, 2021 from approximately 9:30 a.m. to 2:30 p.m./ Eastern Time (virtual meeting)
- November 10, 2021 from approximately 9:30 a.m. to 2:30 p.m./ Eastern Time (virtual meeting)

All meetings are open to the public. Additional meetings may be scheduled as needed. For web conference instructions and the most up-to-date information, please visit the HITAC calendar on the ONC website, <https://www.healthit.gov/topic/federal-advisory-committees/hitac-calendar>.

Contact Person for Meetings: Lauren Richie, Lauren.Richie@hhs.gov. A notice in the **Federal Register** about last minute modifications that impact a previously announced advisory committee meeting cannot always be published quickly enough to provide timely notice. Please email Lauren Richie for the most current information about meetings.

Agenda: As outlined in the 21st Century Cures Act, the HITAC will develop and submit recommendations to the National Coordinator on the topics of interoperability, privacy and security, and patient access. In addition, the committee will also address any administrative matters and hear periodic reports from ONC. ONC intends to make background material available to the public no later than 24 hours prior to the meeting start time. If ONC is unable to post the background material on its website prior to the meeting, the material will be made publicly available on ONC’s website after the meeting, at <http://www.healthit.gov/hitac>.

Procedure: Interested persons may present data, information, or views, orally or in writing, on issues pending before the committee. Written submissions may be made to the contact person prior to the meeting date. An

oral public comment period will be scheduled at each meeting. Time allotted for each commenter will be limited to three minutes. If the number of speakers requesting to comment is greater than can be reasonably accommodated during the scheduled public comment period, ONC will take written comments after the meeting.

Persons attending in-person HITAC meetings are advised that the agency is not responsible for providing wireless access or access to electrical outlets.

ONC welcomes the attendance of the public at its HITAC meetings. Seating is limited at in-person meetings, and ONC will make every effort to accommodate persons with physical disabilities or special needs. If you require special accommodations due to a disability, please contact Lauren Richie at least seven (7) days in advance of the meeting.

Notice of these meetings are given under the Federal Advisory Committee Act (Pub. L. 92-463, 5 U.S.C., App. 2).

Dated: December 11, 2020.

Lauren Richie,

Designated Federal Officer, Office of the National Coordinator for Health Information Technology.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

[Document Identifier: OS-0990-New]

Agency Information Collection Request; 30-Day Public Comment Request

AGENCY: Office of the Secretary, HHS.

ACTION: Notice.

SUMMARY: In compliance with the requirement of the Paperwork Reduction Act of 1995, the Office of the Secretary (OS), Department of Health and Human Services, is publishing the following summary of a proposed collection for public comment.

DATES: Comments on the ICR must be received on or before February 22, 2021.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

FOR FURTHER INFORMATION CONTACT: Sherrette Funn, Sherrette.Funn@hhs.gov or (202) 795-7714. When submitting

comments or requesting information, please include the document identifier 0990–New–30D and project title for reference.

SUPPLEMENTARY INFORMATION: Interested persons are invited to send comments regarding this burden estimate or any other aspect of this collection of information, including any of the following subjects: (1) The necessity and utility of the proposed information collection for the proper performance of the agency’s functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

Title of the Collection: HHS Teletracking COVID–19 Portal (U.S. Healthcare COVID–19 Portal).

Type of Collection: In use without an OMB number: OMB No. 0990–XXXX OS/OCIO.

Abstract: The data collected through this ICR informs the Federal Government’s understanding of disease

patterns and furthers the development of policies for prevention and control of disease spread and impact related to the 2019 Novel Coronavirus (COVID–19). One of the most important uses of the data collected through this ICR is to determine critical allocations of limited supplies (e.g., protective equipment and medication). For instance, this collection has been used to distribute Remdesivir, a vital therapeutic that HHS distributes to the American healthcare system, via distinct data calls on regular intervals. As of July 10, HHS reduced the number requests for data from hospitals to support allocations of Remdesivir. HHS has stopped sending out one-time requests for data to aid in the distribution of Remdesivir or any other treatments or supplies. This consolidated daily reporting is the only mechanism used for the distribution calculations, and daily reports are needed to ensure accurate calculations.

Type of respondent: We acknowledge the burden placed on many hospitals, including resource constraints, and have allowed for some flexibilities, such as back-submissions or submitting every

business days, with the understanding that respondents may not have sufficient staff working over the weekend. It is our belief that collection of this information daily is the most effective way to detect outbreaks and needs for Federal assistance over time, by hospital and geographical area, and to alert the appropriate officials for action. It’s requested that 5,500 hospitals, submit data daily on the number of patients tested for COVID–19, as well as information on bed capacity and requirements for other supplies.

The HHS Teletracking COVID–19 Portal (U.S. Healthcare COVID–19 Portal) includes some data that were initially submitted by hospitals to HHS through CDC’s National Healthcare Safety Network (NHSN) COVID–19 Module (OMB Control No. 0920–1290, approved 03/26/2020). Over the last several months time, the guidance for which data elements should be sent to HHS and through which method was updated at the request of the White House Coronavirus Task Force and other leaders to better inform the response.

ANNUALIZED BURDEN HOUR TABLE

Type of respondent	Form name	Number of respondents	Number responses per respondent	Average burden per response (in hours)	Total burden hours
Hospitals	HHS Teletracking COVID–19 Portal (U.S. Healthcare COVID–19 Portal).	5,500	365	1.5	3,011,250
Total	3,011,250

Dated: January 14, 2021.

Sherrette A. Funn,

Paperwork Reduction Act Reports Clearance Officer, Office of the Secretary.
