The special permit request, proposed special permit with conditions, and Draft Environmental Assessment (DEA) for the NGPL Gulf Coast Line #3 Pipeline are available for review and public comments in Docket No. PHMSA–2019–0144. We invite interested persons to review and submit comments on the special permit request and DEA in the docket. Please include any comments on potential safety and environmental impacts that may result if the special permit is granted. Comments may include relevant data.

Before issuing a decision on the special permit request, PHMSA will

evaluate all comments received on or before the comments closing date. Comments received after the closing date will be evaluated, if it is possible to do so without incurring additional expense or delay. PHMSA will consider each relevant comment it receives in making its decision to grant or deny this special permit request.
