## FEDERAL HOUSING FINANCE AGENCY

12 CFR Parts 1209, 1217, and 1250

RIN 2590–AB14

### Rules of Practice and Procedure; Civil Money Penalty Inflation Adjustment

**AGENCY:** Federal Housing Finance Agency.

**ACTION:** Final rule.

**SUMMARY:** The Federal Housing Finance Agency (FHFA) is adopting this final rule amending its Rules of Practice and Procedure and other agency regulations to adjust each civil money penalty within its jurisdiction to account for inflation, pursuant to the Federal Civil Penalties Inflation Adjustment Act of 1990, as amended by the Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015.

**DATES:** *Effective* January 29, 2021, and applicable beginning January 15, 2021.

**FOR FURTHER INFORMATION CONTACT:** Frank R. Wright, Assistant General Counsel, at (202) 649–3087, [Frank.Wright@fhfa.gov](mailto:Frank.Wright@fhfa.gov) (not a toll-free number); Federal Housing Finance Agency, 400 7th Street SW, Washington, DC 20219. The telephone number for the Telecommunications Device for the Deaf is: (800) 877–8339 (TDD only).

#### SUPPLEMENTARY INFORMATION:

##### I. Background

FHFA is an independent agency of the Federal government, and the financial safety and soundness regulator of the Federal National Mortgage Association (Fannie Mae) and the Federal Home Loan Mortgage Corporation (Freddie Mac) (collectively, the Enterprises), as well as the Federal Home Loan Banks (collectively, the Banks) and the Office of Finance under authority granted by the Federal Housing Enterprises Financial Safety and Soundness Act of

1992 (Safety and Soundness Act).<sup>1</sup> FHFA oversees the Enterprises and Banks (collectively, the regulated entities) and the Office of Finance to ensure that they operate in a safe and sound manner and maintain liquidity in the housing finance market in accordance with applicable laws, rules and regulations. To that end, FHFA is vested with broad supervisory discretion and specific civil administrative enforcement powers, similar to such authority granted by Congress to the Federal bank regulatory agencies.<sup>2</sup> Section 1376 of the Safety and Soundness Act (12 U.S.C. 4636) empowers FHFA to impose civil money penalties under specific conditions. FHFA's Rules of Practice and Procedure (12 CFR part 1209) (the Enforcement regulations) govern cease and desist proceedings, civil money penalty assessment proceedings, and other administrative adjudications.<sup>3</sup> FHFA's Flood Insurance regulation (12 CFR part 1250) governs flood insurance responsibilities as they pertain to the Enterprises.<sup>4</sup> FHFA's Implementation of the Program Fraud Civil Remedies Act of 1986 regulation (12 CFR part 1217) sets forth procedures for imposing civil penalties and assessments under the Program Fraud Civil Remedies Act (31 U.S.C. 3801 *et seq.*) on any person that makes a false claim for property, services or money from FHFA, or makes a false material statement to FHFA in connection with a claim, where the amount involved does not exceed \$150,000.<sup>5</sup>

*The Adjustment Improvements Act*

The Federal Civil Penalties Inflation Adjustment Act of 1990 (Inflation

Adjustment Act), as amended by the Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015 (Adjustment Improvements Act), requires FHFA, as well as other federal agencies with the authority to issue civil money penalties (CMPs), to adjust by regulation the maximum amount of each CMP authorized by law that the agency has jurisdiction to administer.<sup>6</sup> The Adjustment Improvements Act required agencies to make an initial "catch-up" adjustment of their CMPs upon the statute's enactment,<sup>7</sup> and further requires agencies to make additional adjustments on an annual basis following the initial adjustment.<sup>8</sup>

The Adjustment Improvements Act sets forth the formula that agencies must apply when making annual adjustments, based on the percent change between the October Consumer Price Index for All Urban Consumers (the CPI-U) preceding the date of the last adjustment and the October CPI-U for the year before that.

**II. Description of the Rule**

This final rule adjusts the maximum penalty amount within each of the three tiers specified in 12 U.S.C. 4636 by amending the table contained in 12 CFR 1209.80 of the Enforcement regulations to reflect the new adjusted maximum penalty amount that FHFA may impose upon a regulated entity or any entity-affiliated party within each tier. The increases in maximum penalty amounts contained in this final rule may not necessarily affect the amount of any CMP that FHFA may seek for a particular violation, which may not be the maximum that the law allows; FHFA would calculate each CMP on a

case-by-case basis in light of a variety of factors.<sup>9</sup> This rule also adjusts the maximum penalty amounts for violations under the FHFA Flood Insurance regulation by amending the text of 12 CFR 1250.3 to reflect the new adjusted maximum penalty amount that FHFA may impose for violations under that regulation. This rule also adjusts the maximum amounts for civil money penalties under the Program Fraud Civil Remedies Act by amending the text of 12 CFR 1217.3 to reflect the new adjusted maximum penalty amount that FHFA may impose for violations under that regulation.

The Adjustment Improvements Act directs federal agencies to calculate each annual CMP adjustment as the percent change between the CPI-U for the previous October and the CPI-U for October of the calendar year before.<sup>10</sup> The maximum CMP amounts for FHFA penalties were last adjusted in 2020.<sup>11</sup> Since FHFA is making this round of adjustments in calendar year 2021, and the maximum CMP amounts were last set in calendar year 2020, the inflation adjustment amount for each maximum CMP amount was calculated by comparing the CPI-U for October 2019 with the CPI-U for October 2020, resulting in an inflation factor of 1.01182. For each maximum CMP calculation, the product of this inflation adjustment and the previous maximum penalty amount was then rounded to the nearest whole dollar as required by the Adjustment Improvements Act, and was then summed with the previous maximum penalty amount to determine the new adjusted maximum penalty amount.<sup>12</sup> The tables below set out these items accordingly.

**III. Differences Between the Federal Home Loan Banks and the Enterprises**

When promulgating any regulation that may have future effect relating to the Banks, the Director is required by section 1313(f) of the Safety and Soundness Act to consider the differences between the Banks and the Enterprises with respect to the Banks' cooperative ownership structure, mission of providing liquidity to members, affordable housing and community development mission, capital structure, and joint and several liability (12 U.S.C. 4513(f)).<sup>13</sup> The Director considered the differences between the Banks and the Enterprises, as they relate to the above factors, and determined that this final rule is appropriate. The inflation adjustments effected by the final rule are mandated by law, and the special features of the Banks identified in section 1313(f) of the Safety and Soundness Act can be accommodated, if appropriate, along with any other relevant factors, when determining any actual penalties.

**IV. Regulatory Impact**

*Administrative Procedure Act*

FHFA finds good cause that notice and an opportunity to comment on this final rule are unnecessary under section 553(b) of the Administrative Procedure Act (APA), 5 U.S.C. 553(b). The Adjustment Improvements Act states that the annual civil money penalty adjustments shall be made notwithstanding the rulemaking provisions of 5 U.S.C. 553.<sup>14</sup> Furthermore, this rulemaking conforms with and is consistent with the statutory directive set forth in the Adjustment Improvements Act. As a result, there are no issues of policy discretion about which to seek public comment.

Accordingly, FHFA is adopting these amendments as a final rule.

*Regulatory Flexibility Act*

Pursuant to the Regulatory Flexibility Act (RFA),<sup>15</sup> an agency must prepare a regulatory flexibility analysis for all proposed and final rules that describes the impact of the rule on small entities, unless the head of an agency certifies that the rule will not have "a significant economic impact on a substantial number of small entities." However, the RFA applies only to rules for which an agency publishes a general notice of proposed rulemaking pursuant to the APA.<sup>16</sup> As discussed above, FHFA has determined for good cause that the APA does not require a general notice of proposed rulemaking for this rule. Thus, the RFA does not apply to this final rule.

*Congressional Review Act*

The rule is not a "major rule" as defined by the Congressional Review Act, codified at 5 U.S.C. 801 *et seq.* The rule will not result in: (1) An annual effect on the economy of \$100,000,000 or more; (2) a major increase in costs or prices; or (3) significant adverse effects on competition, employment, investment, productivity, innovation, or the ability of United States-based companies to compete with foreign-based companies.<sup>17</sup>

*Paperwork Reduction Act*

The Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*) requires that regulations involving the collection of information receive clearance from the Office of Management and Budget (OMB). This rule contains no such collection of information requiring OMB approval under the Paperwork Reduction Act. Consequently, no

information has been submitted to OMB for review.

**Standard Instrument Approach Procedures, and Takeoff Minimums and Obstacle Departure Procedures; Miscellaneous Amendments**

**AGENCY:** Federal Aviation Administration (FAA), DOT.

**ACTION:** Final rule.

**SUMMARY:** This rule amends, suspends, or removes Standard Instrument Approach Procedures (SIAPs) and associated Takeoff Minimums and Obstacle Departure Procedures for operations at certain airports. These regulatory actions are needed because of the adoption of new or revised criteria, or because of changes occurring in the National Airspace System, such as the commissioning of new navigational facilities, adding new obstacles, or changing air traffic requirements. These changes are designed to provide for the safe and efficient use of the navigable airspace and to promote safe flight operations under instrument flight rules at the affected airports.

**DATES:** This rule is effective January 29, 2021. The compliance date for each SIAP, associated Takeoff Minimums, and ODP is specified in the amendatory provisions.

The incorporation by reference of certain publications listed in the regulations is approved by the Director of the Federal Register as of January 29, 2021.

**ADDRESSES:** Availability of matter incorporated by reference in the amendment is as follows:

**For Examination**

1. U.S. Department of Transportation, Docket Ops-M30, 1200 New Jersey Avenue SE, West Bldg., Ground Floor, Washington, DC 20590–0001;

2. The FAA Air Traffic Organization Service Area in which the affected airport is located;

3. The office of Aeronautical Navigation Products, 6500 South

**Availability**

All SIAPs and Takeoff Minimums and ODPs are available online free of charge. Visit the National Flight Data Center online at [nfdc.faa.gov](http://nfdc.faa.gov) to register. Additionally, individual SIAP and Takeoff Minimums and ODP copies may be obtained from the FAA Air Traffic Organization Service Area in which the affected airport is located.

**FOR FURTHER INFORMATION CONTACT:**

Mailing Address: FAA Mike Monroney Aeronautical Center, Flight Procedures and Airspace Group, 6500 South MacArthur Blvd., Registry Bldg 29, Room 104, Oklahoma City, OK 73169. Telephone: (405) 954–4164.

**SUPPLEMENTARY INFORMATION:** This rule amends 14 CFR part 97 by amending the referenced SIAPs. The complete regulatory description of each SIAP is listed on the appropriate FAA Form 8260, as modified by the National Flight Data Center (NFDC)/Permanent Notice to Airmen (P–NOTAM), and is incorporated by reference under 5 U.S.C. 552(a), 1 CFR part 51, and 14 CFR 97.20. The large number of SIAPs, their complex nature, and the need for a special format make their verbatim publication in the **Federal Register** expensive and impractical. Further, airmen do not use the regulatory text of the SIAPs, but refer to their graphic depiction on charts printed by publishers of aeronautical materials. Thus, the advantages of incorporation by reference are realized and publication of the complete description of each SIAP contained on FAA form documents is unnecessary. This amendment provides the affected CFR sections, and specifies the SIAPs and Takeoff Minimums and ODPs with their applicable effective dates. This amendment also identifies the airport and its location, the procedure and the amendment number.

**Availability and Summary of Material Incorporated by Reference**

The material incorporated by reference is publicly available as listed in the **ADDRESSES** section.
