BILLING CODE 6335-01-P

DEPARTMENT OF COMMERCE

Census Bureau

Agency Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; Household Pulse Survey

On October 31, 2020, the Department of Commerce received clearance from the Office of Management and Budget (OMB) in accordance with the Paperwork Reduction Act of 1995 to conduct the Household Pulse Survey (OMB No. 0607-1013, Exp. 10/31/23). The Household Pulse Survey was designed to meet a need for timely information associated with household experiences during the Covid-19 pandemic.

The Department is committed to ensuring that the data collected by the Household Pulse Survey continue to meet information needs as they may evolve over the course of the pandemic. This notice serves to inform of the Department's intent to request clearance from OMB to make some revisions to the Household Pulse Survey questionnaire. To ensure public burden is not increased, the revisions would reflect the removal of questions for which utility has declined over time, and the addition of topics based on public comment previously received and in consult with other Federal agencies. New questions would relate to disability, child health access, telehealth and childcare. In addition, given the time-critical circumstances, questions on intention to receive the Covid-19 vaccine were added via a request approved by OMB on December 30, 2020 to coincide with the availability of vaccines; questions previously approved by OMB relating to the economic stimulus payments were also released into production once payments began to be issued.

It is the Department's intention to commence data collection using the revised instrument on or about March 1, 2021. The Department invites the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously sought on the Household Pulse Survey via the **Federal Register** on May 19, 2020 and again on June 3, 2020. This notice allows for an additional 30 days for public comments on the proposed revisions.

Agency: U.S. Census Bureau.
