Rules of Practice and Procedure Concerning Filing and Service and Amended Rules Concerning Filing and Service; Correction

AGENCY: Employment and Training Administration, Office of Workers’ Compensation Programs, Office of the

Secretary, Office of Labor-Management Standards, Wage and Hour Division, Occupational Safety and Health Administration, Office of Federal Contract Compliance Programs.

ACTION: Direct final rule; correction.

SUMMARY: The Department of Labor (Department or DOL) is correcting a direct final rule that appeared in the **Federal Register** on January 11, 2021, “Rules of Practice and Procedure Concerning Filing and Service and Amended Rules Concerning Filing and Service.” The companion proposed rule to the final rule was published in the same issue of the **Federal Register**. The final rule required electronic filing (e-filing) and made acceptance of electronic service (e-service) automatic for attorneys and non-attorney representatives representing parties in proceedings before the Administrative Review Board, unless the Board authorized non-electronic filing and service for good cause. Among other changes, the final rule was intended to revise several sections of the Code of Federal Regulations. However, the final rule as published inadvertently omitted amendatory instructions to revise two section headings, despite providing revised language for those headings. This document provides the omitted amendatory instructions to ensure that these two section headings are revised as written in the final rule.

DATES: This correction is effective on February 25, 2021, unless the Department receives a significant adverse comment to the underlying direct final rule or its companion proposed rule by February 10, 2021 that explains why the rule is inappropriate.

FOR FURTHER INFORMATION CONTACT: Mr. Thomas Shepherd, Clerk of the Appellate Boards, at 202–693–6319 or *Shepherd.Thomas@dol.gov*.

SUPPLEMENTARY INFORMATION: DOL is making the following corrections to the final rule, as published in the **Federal Register** on Monday, January 11, 2021 (86 FR 1772).

DOL is adding amendatory instructions to change the section headings of two sections of the Code of Federal Regulations.

At 86 FR 1781, third column, 29 CFR part 22, amendatory instruction 43 revised § 22.39, paragraphs (a), (b)(3), (c), (f), and (h) through (l). The text of § 22.39 as written in the final rule also included a revised section heading; however, amendatory instruction 43 did not specify that the section heading should be revised in addition to the text of the above-listed paragraphs. In this action, amendatory instruction 43 is

corrected to clarify that the section heading of § 22.39 should be revised as well. Amendatory instruction 43 is corrected to read: “43. In § 22.39, revise the section heading and paragraphs (a), (b)(3), (c), (f), and (h) through (l) to read as follows:”. The section heading is being revised to read “Appeal to ARB” instead of “Appeal to authority head.” This change is in keeping with the Department’s clearly expressed intent in the preamble of the final rule to revise references in the regulations to an “authority head” to references to the “ARB” in order to clarify the responsibilities of the Administrative Review Board.

At 86 FR 1793, third column, 29 CFR part 1986, amendatory instruction 133 revised § 1986.110, paragraph (c). The text of § 1986.110 as written in the final rule also included a revised section heading; however, amendatory instruction 133 did not specify that the section heading should be revised in addition to the text of paragraph (c). In this action, amendatory instruction 133 is corrected to clarify that the section heading of § 1986.110 should be revised, as well. Amendatory instruction 133 is corrected to read: “133. In § 1986.110, revise the section heading and paragraph (c) to read as follows:”. The section heading is being revised to read “Decision and orders of the Administrative Review Board” instead of “Decisions and order of the Administrative Review Board.” The change to § 1986.110 is intended to make the section heading consistent with other similar section headings in the chapter of Title 29 that are titled “Decision and orders of the Administrative Review Board.”

I. Background

The Federal Civil Penalties Inflation Adjustment Act of 1990, as amended by the Federal Civil Penalties Inflation

Adjustment Act Improvements Act of 2015 (collectively, “the Act”), codified at 28 U.S.C. 2461, requires Federal agencies to adjust their civil monetary penalty (CMP) rates for inflation every year.

In accordance with sections 4 and 5 of the Act, the annual CMP inflation adjustment for 2021 is based on the percent change in the Consumer Price Index for all Urban Consumers (CPI-U) between October 2019 and October 2020. The CPI-U for October 2019 was 257.346, and for October 2020 was 260.388, for an increase of 1.01182%. In accordance with section 5(a) of the Act, the new maximum CMP rates must be rounded to the nearest whole dollar. In accordance with section 6 of the Act, the new maximum penalty rates will apply only to CMPs, including those that are associated with violations predating the increase, that ONRR assesses after the date the increase takes effect.

ONRR assesses CMPs under the Federal Oil and Gas Royalty Management Act, 30 U.S.C. 1719, and its regulations at 30 CFR part 1241. ONRR calculates and assesses CMPs per violation, at the applicable rate, for each day such violation continues.

II. Inflation-Adjusted Maximum Rates

This final rule increases the maximum CMP rates for each of the four violation categories identified in 30 U.S.C. 1719(a) through (d) and 30 CFR part 1241. The following list identifies the existing ONRR regulations containing CMP rates and shows those rates before and after this increase.

30 CFR citation	Current penalty rate	2021 inflation adjustment multiplier	2021 adjusted penalty rate
1241.52(a)(2)	\$1,273	1.01182	\$1,288
1241.52(b)	12,740	1.01182	12,891
1241.60(b)(1)	25,479	1.01182	25,780
1241.60(b)(2)	63,699	1.01182	64,452

IV. Procedural Requirements

A. Regulatory Planning and Review
(Executive Orders 12866 and 13563)

Executive Order (E.O.) 12866 provides that the Office of Information and Regulatory Affairs (OIRA) in the Office of Management and Budget (OMB) will review all significant rules. OIRA has determined that this rule is not significant.

E.O. 13563 reaffirms the principles of E.O. 12866, while calling for improvements in the United States’ regulatory system to promote

predictability, to reduce uncertainty, and to use the most innovative and least burdensome tools for achieving regulatory ends. E.O. 13563 directs agencies to consider regulatory approaches that reduce burdens and maintain flexibility and freedom of choice for the public where these approaches are relevant, feasible, and consistent with regulatory objectives. E.O. 13563 emphasizes that regulations must be based on the best available science and that the rulemaking process must allow for public participation and an open exchange of ideas. ONRR

developed this rule in a manner consistent with these requirements.

B. Regulatory Flexibility Act

This rule will not have a significant economic effect on a substantial number of small entities under the Regulatory Flexibility Act (RFA), 5 U.S.C. 601, *et seq.*, because the rule only makes adjustments for inflation. The Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015 requires agencies to adjust civil penalties with an annual inflation adjustment. Therefore,
