

notification about sub-advisory changes and enhanced Board oversight to protect the interests of the Sub-Advised Fund's shareholders.

4. Section 6(c) of the Act provides that the Commission may exempt any person, security, or transaction or any class or classes of persons, securities, or transactions from any provisions of the Act, or any rule thereunder, if such relief is necessary or appropriate in the public interest and consistent with the protection of investors and purposes fairly intended by the policy and provisions of the Act. Applicants believe that the requested relief meets this standard because, as further explained in the application, the Investment Management Agreements will remain subject to shareholder approval while the role of the Sub-Advisers is substantially equivalent to that of individual portfolio managers, so that requiring shareholder approval of Sub-Advisory Agreements would impose unnecessary delays and expenses on the Sub-Advised Funds. Applicants believe that the requested relief from the Disclosure Requirements meets this standard because it will improve the Adviser's ability to negotiate fees paid to the Sub-Advisers that are more advantageous for the Sub-Advised Funds.

For the Commission, by the Division of Investment Management, under delegated authority.

J. Matthew DeLesDernier,
Assistant Secretary.

⁴ According to the Exchange, NYSE currently trades securities, including ETPs, on its Pillar trading platform on an unlisted trading privileges ("UTP") basis, subject to NYSE Pillar Platform Rules 1P-13P. "UTP Security" is defined as a security that is listed on a national securities exchange other than the Exchange and that trades on the Exchange pursuant to unlisted trading privileges. See NYSE Rule 1.1. ETPs traded on a UTP basis on the Exchange are not assigned to a Designated Market Maker ("DMM") but are available for Floor brokers to trade in Floor-based crossing transactions. See Securities Exchange Act Release No. 82945 (March 26, 2018), 83 FR 13553, 13568 (March 29, 2018) (SR-NYSE-2017-36) (approving Exchange rules to trade securities on a UTP basis on the Pillar trading platform).
