February 8, 2021.

On December 10, 2020, BOX Exchange LLC (“BOX” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> a proposed rule change to amend BOX Rule 7620 (Accommodation Transactions) to allow Floor Brokers to enter opening cabinet orders on behalf of customers and floor market makers, and codify that cabinet orders will execute in open outcry pursuant to the BOX Rule 7600 series. The proposed rule change was published for comment in the **Federal Register** on December 30, 2020.<sup>3</sup> The Commission received no comments on the proposed rule change.

Section 19(b)(2) of the Act<sup>4</sup> provides that, within 45 days of the publication of notice of the filing of a proposed rule change, or within such longer period up to 90 days as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or as to which the self-regulatory organization consents, the Commission shall either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether the proposed rule change should be disapproved. ### Submission for OMB Review; Comment Request

*Upon Written Request, Copies Available From:* Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Rule 17f-2(c)

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (“PRA”) (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for approval of extension of the previously approved collection of information provided for in Rule 17f-2(c) (17 CFR 240.17f-2(c)), under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*).

Rule 17f-2(c) allows persons required to be fingerprinted pursuant to Section 17(f)(2) of the Act to submit their fingerprints to the Attorney General of the United States or its designee (*i.e.*, the Federal Bureau of Investigation (“FBI”)) through a registered national securities exchange or a registered national securities association (collectively, also known as “self-regulatory organizations” or “SROs”) pursuant to a fingerprint plan filed with, and declared effective by, the Commission. Fingerprint plans have been approved for the American, Boston, Chicago, New York, and Philadelphia stock exchanges and for the Financial Industry Regulatory Authority (“FINRA”) and the Chicago Board Options Exchange. Currently, the bulk of the fingerprints are submitted through FINRA.

It is estimated that 3,900 respondents submit approximately 281,804 sets of fingerprints (consisting of approximately 253,721 electronic sets and 28,083 hard copy sets) to SROs on an annual basis. The Commission

estimates that it would take approximately 15 minutes to create and submit each fingerprint card. The total time burden is therefore estimated to be approximately 70,451 hours, or approximately 18 hours per respondent, annually.

In addition, the SROs charge an estimated \$26 fee for processing fingerprint cards submitted electronically, resulting in a total annual cost to all 3,900 respondents of approximately \$6,596,746, or approximately \$1,691 per respondent per year. The SROs charge an estimated \$41 fee for processing fingerprint cards submitted in hard copy, resulting in a total annual cost to all 3,900 respondents of approximately \$1,151,403, or approximately \$295 per respondent per year. The combined annual cost to all respondents is thus approximately \$7,748,149.

Because the FBI will not accept fingerprint cards directly from submitting organizations, Commission approval of fingerprint plans from certain SROs is essential to carry out the Congressional goal to fingerprint securities industry personnel. Filing these plans for review assures users and their personnel that fingerprint cards will be handled responsibly and with due care for confidentiality.

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-91075; File No. SR-ICC-2020-014]

### Self-Regulatory Organizations; ICE Clear Credit LLC; Order Approving Proposed Rule Change Relating to the ICC Clearing Participant Default Management Procedures

February 8, 2021.

#### Introduction

On December 22, 2020, ICE Clear Credit LLC ("ICC") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> a proposed rule change to revise its Clearing Participant ("CP") Default Management Procedures (the "Default Management Procedures").<sup>3</sup> The proposed rule change was published for comment in the **Federal Register** on January 8, 2020.<sup>4</sup> The Commission did not receive comments on the proposed rule change. For the reasons discussed below, the Commission is approving the proposed rule change.

#### II. Description of the Proposed Rule Change

ICC's proposed rule change would make clarifying changes to the Default Management Procedures to formalize the process for convening remote meetings of ICC's CDS Default Committee, and to update certain procedures for notifications by designated ICC officers as part of its CP default management process.<sup>5</sup> This process includes the actions that ICC takes to determine that a CP is in default and to close-out the defaulting CP's portfolio.<sup>6</sup>

Specifically, ICC proposes revisions to Subsection 4.4 (Secure Trading Facility) of the Default Management Procedures related to convening the ICC CDS Default Committee, which consists of designated employees of eligible CPs that have CDS trading experience and are deemed seconded to ICC to assist

with default management and the close-out process. Currently, Subsection 4.4 provides only for an in-person meeting of the CDS Default Committee in a private room at ICC's New York offices ("Secure Trading Facility"). The proposed changes specify that ICC may convene its CDS Default Committee at the Secure Trading Facility or remotely by teleconference ("Remote Trader Consultation") in the event the Committee is unable to meet in person. The proposed changes also specify that the ICC Chief Risk Officer ("CRO") will decide whether to convene the CDS Default Committee in person or remotely, and that such decision will depend on the circumstances at the time of the declaration of the default.

ICC also proposes updates to Section 6 (Default Declaration). Currently, Subsection 6.1.5 (CCO Pre-Declaration Initiated Actions) requires the ICC Chief Compliance Officer ("CCO") to inform default contacts at the Commission and the Commodity Futures Trading Commission ("CFTC") by telephone of a potential CP default. The proposed changes to Subsection 6.1.5 would allow the CCO to inform the default contacts at Commission and the CFTC by telephone or email of a potential default, and further direct the CCO to inform other regulators of the potential default as may be required. Amended Subsection 6.4 (Default Declaration Notification) similarly directs the CCO to notify other regulators (in addition to the Commission and the CFTC) of a default if applicable, and replaces the word "all" with "above" in the phrase "Upon the CCO confirming all notifications have been completed," in the last paragraph of this subsection.

The proposed updates to Subsection 6.5.3 (CRO Post-Declaration Preparation) relate to the CRO's actions to convene the CDS Default Committee after a declaration of default and to determine whether this Committee will meet in person or remotely at such post-declaration phase. If the CRO convenes an in-person CDS Default Committee meeting at the Secure Trading Facility, the proposed updates to Subsection 6.5.3 clarify that the CRO will work with ICC's Risk Committee and other ICC staff as required to perform certain specified actions. The proposed revisions to Subsection 6.5.4 (CCO Post-Declaration Actions) make clarifications in respect of the notice that the CCO provides to the compliance personnel of a CDS Default Committee member following a declaration of a default, including the prospect that the CDS Default Committee may meet by teleconference.
