

**ADDRESSES:** You may send comments, identified by docket number CISA–2020–0018, by one of the following methods:

- *Federal eRulemaking Portal:* <http://www.regulations.gov>. Please follow the instructions for submitting comments.

- *Email:* [nppd-prac@hq.dhs.gov](mailto:nppd-prac@hq.dhs.gov). Please include docket number CISA–2020–0018 in the subject line of the message.

- *Mail:* Written comments and questions about this Information Collection Request should be forwarded to DHS/CISA/OCS, ATTN: 1670–0036, 245 Murray Lane SW, Mail Stop 0380, Washington, DC 20598.

*Instructions:* All submissions received must include the words “Department of Homeland Security” and the docket number for this action. Comments received will be posted without alteration at <http://www.regulations.gov>, including any personal information provided.

Comments submitted in response to this notice may be made available to the public through relevant websites. For this reason, please do not include in your comments information of a confidential nature, such as sensitive personal information or proprietary information. If you send an email comment, your email address will be automatically captured and included as part of the comment that is placed in the public docket and made available on the internet. Please note that responses to this public comment request containing any routine notice about the confidentiality of the communication will be treated as public comments that may be made available to the public notwithstanding the inclusion of the routine notice.

**SUPPLEMENTARY INFORMATION:** Public Law 107–296 The Homeland Security Act of 2002, Title II, recognizes the Department of Homeland Security role in integrate relevant critical infrastructure and cybersecurity information, analyses, and vulnerability assessments (whether such information, analyses, or assessments are provided or produced by the Department or others) in order to identify priorities for protective and support measures by the Department, other agencies of the Federal Government, State and local government agencies and authorities, the private sector, and other entities while maintaining positive control of sensitive information regarding the national infrastructure. In support of this mission CISA Office of Compliance and Security must maintain a robust visitor screening capability.

The CISA Office of Compliance and Security will collect, using an electronic

form, information about each potential visitor to CISA facilities and the nature of each visit. The Office of Compliance and Security will use collected information to make a risk-based decision to allow visitor access to CISA facilities.

This is an extension of an existing information collection. The Office of Management and Budget is particularly interested in comments which:

1. Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
2. Evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
3. Enhance the quality, utility, and clarity of the information to be collected; and
4. Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

#### Analysis

*Agency:* Cybersecurity and Infrastructure Security Agency (CISA), Department of Homeland Security (DHS).

*Title:* Cybersecurity and Infrastructure Security Agency (CISA) Visitor Request Form.

*OMB Control Number:* 1670–0036.

*Frequency:* Annually.

*Affected Public:* Private and Public Sector.

*Number of Respondents:* 20,000.

*Estimated Time per Respondent:* 10 minutes.

*Total Burden Hours:* 3,333 hours.

*Total Respondent Opportunity Cost:* \$125,144.

*Total Respondent Out-of-Pocket Cost:* \$0.

*Total Government Cost:* \$250,473.

#### Samuel Vazquez,

*Acting Chief Information Officer, Department of Homeland Security, Cybersecurity and Infrastructure Security Agency.*

## DEPARTMENT OF THE INTERIOR

### National Park Service

[NPS–WASO–NRNHL–DTS#–31483; PPWOCRADIO, PCU00RP14.R50000]

### National Register of Historic Places; Notification of Pending Nominations and Related Actions

**AGENCY:** National Park Service, Interior.

**ACTION:** Notice.

**SUMMARY:** The National Park Service is soliciting electronic comments on the significance of properties nominated before February 6, 2021, for listing or related actions in the National Register of Historic Places.

**DATES:** Comments should be submitted electronically by March 4, 2021.

**ADDRESSES:** Comments are encouraged to be submitted electronically to *National\_Register\_Submissions@nps.gov* with the subject line “Public Comment on <property or proposed district name, (County) State>.” If you have no access to email you may send them via U.S. Postal Service and all other carriers to the National Register of Historic Places, National Park Service, 1849 C Street NW, MS 7228, Washington, DC 20240.

**SUPPLEMENTARY INFORMATION:** The properties listed in this notice are being considered for listing or related actions in the National Register of Historic Places. Nominations for their consideration were received by the National Park Service before February 6, 2021. Pursuant to Section 60.13 of 36 CFR part 60, comments are being accepted concerning the significance of the nominated properties under the National Register criteria for evaluation.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Nominations submitted by State or Tribal Historic Preservation Officers:

**BILLING CODE 4312-52-P**

**INTERNATIONAL TRADE COMMISSION**

**[Investigation Nos. 701-TA-636 and 731-TA-1470 (Final)]**

**Wood Mouldings and Millwork Products From China; Determinations**

On the basis of the record<sup>1</sup> developed in the subject investigations, the United States International Trade Commission ("Commission") determines, pursuant to the Tariff Act of 1930 ("the Act"), that an industry in the United States is materially injured by reason of imports of wood mouldings and millwork products from China, primarily provided for in subheadings 4409.10.40, 4409.10.45, 4409.10.50, 4409.22.40, 4409.22.50, 4409.29.41, and 4409.29.51 of the Harmonized Tariff Schedule of

the United States, that have been found by the U.S. Department of Commerce ("Commerce") to be sold in the United States at less than fair value ("LTFV"), and to be subsidized by the government of China.<sup>2</sup>

**Background**

The Commission instituted these investigations effective January 8, 2020, following receipt of petitions filed with the Commission and Commerce by the Coalition of American Millwork Producers (Bright Wood Corporation, Madras, Oregon; Cascade Wood Products, Inc., White City, Oregon; Endura Products, Inc., Colfax, North Carolina; Sierra Pacific Industries, Red Bluff, California; Sunset Moulding, Live Oak, California; Woodgrain Millwork Inc., Fruitland, Idaho; and Yuba River Moulding, Yuba City, California).<sup>3</sup> The final phase of the investigations was scheduled by the Commission following notification of preliminary determinations by Commerce that imports of wood mouldings and millwork products from China were subsidized within the meaning of section 703(b) of the Act (19 U.S.C. 1671b(b)) and sold at LTFV within the meaning of 733(b) of the Act (19 U.S.C. 1673b(b)). Notice of the scheduling of the final phase of the Commission's investigations and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** on September 2, 2020 (85 FR 54593). In light of the restrictions on access to the Commission building due to the COVID-19 pandemic, the Commission conducted its hearing through written testimony and video conference on December 22, 2020. All persons who requested the opportunity were permitted to participate.

The Commission made these determinations pursuant to §§ 705(b) and 735(b) of the Act (19 U.S.C. 1671d(b) and 19 U.S.C. 1673d(b)). It completed and filed its determinations in these investigations on February 10, 2021. The views of the Commission are contained in USITC Publication 5157 (February 2021), entitled *Wood Mouldings and Millwork Products From China: Investigation Nos. 701-TA-636 and 731-TA-1470 (Final)*.

<sup>2</sup> Vice Chair Randolph J. Stayin not participating.

<sup>3</sup> During the final phase of the investigations, Best Moulding Corporation, Albuquerque, New Mexico; Menzner Lumber and Supply Company, Marathon, Wisconsin; and Pacific Wood Laminates, Brookings, Oregon, joined the Coalition of American Millwork Producers.

<sup>1</sup> The record is defined in § 207.2(f) of the Commission's Rules of Practice and Procedure (19 CFR 207.2(f)).
