**AGENCY:** Equal Employment Opportunity Commission.

**SUMMARY:** This notice announces that the U.S. Equal Employment Opportunity Commission (EEOC or Commission) is submitting a request for a three-year approval, under the Paperwork Reduction Act of 1995 (PRA), of a revision to the current Generic Clearance for the Collection of Qualitative Feedback on Agency Service Delivery that the Office of Management and Budget (OMB) previously approved. For EEOC Office of Federal Operations: Patricia St. Clair, [patricia.stclair@eoc.gov](mailto:patricia.stclair@eoc.gov), (202) 663-4922.

#### SUPPLEMENTARY INFORMATION:

*Title:* Generic Clearance for the Collection of Qualitative Feedback on Agency Service Delivery.

*Abstract:* The information collection activity will garner qualitative customer and stakeholder feedback in an efficient, timely manner, in accordance with the government's commitment to improving service delivery. By qualitative feedback we mean information that provides useful insights on perceptions and opinions, but not statistical surveys that yield quantitative results that can be generalized to the population of study. This feedback will provide insights into customer or stakeholder perceptions, experiences, and expectations, provide an early warning of issues with service, or focus attention on areas where communication, training, or changes in operations might improve delivery of products or services. These collections will allow for ongoing, collaborative, and actionable communications between the Agency and its customers and stakeholders. It will also allow feedback to contribute directly to the improvement of program management.
