Federal Register

Vol. 86, No. 40

Wednesday, March 3, 2021

This section of the FEDERAL REGISTER contains documents other than rules or proposed rules that are applicable to the public. Notices of hearings and investigations, committee meetings, agency decisions and rulings, delegations of authority, filing of petitions and applications and agency statements of organization and functions are examples of documents appearing in this section.

ACTION: Notice and opportunity for public comment.

SUMMARY: The Economic Development Administration (EDA) has received petitions for certification of eligibility to apply for Trade Adjustment Assistance from the firms listed below. Accordingly, EDA has initiated investigations to determine whether increased imports into the United States of articles like or directly competitive with those produced by each of the firms contributed importantly to the total or partial separation of the firms' workers, or threat thereof, and to a decrease in sales or production of each petitioning firm.

Recommendations for More Resilient Fisheries and Protected Resources Due to Climate Change

AGENCY: National Marine Fisheries Service (NMFS), National Ocean Service (NOS), National Oceanic and Atmospheric Administration (NOAA), Department of Commerce.

ACTION: Notice; request for information.

SUMMARY: On January 27, 2021, the White House issued an Executive Order on Tackling the Climate Crisis at Home and Abroad. As part of this effort, NOAA is collecting recommendations on how to make fisheries and protected resources more resilient to climate change, including changes in management and conservation measures, and improvements in science, monitoring, and cooperative research. NOAA requests written input from interested parties on how best to achieve these objectives described in the Executive Order.

DATES: Responses must be received by April 2, 2021.

ADDRESSES: Responses should be submitted via email to OceanResources.Climate@noaa.gov. Include "Climate: Recommendations for
