

with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

#### E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

#### F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a temporary safety zone on the RR at MM 58 through 60 in the vicinity of Moncla, LA, that will prohibit entry into this zone. The safety zone will only be enforced while operations preclude the safe navigation of the established channel. It is categorically excluded from further review under paragraph L60(a) of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 1. A Record of Environmental Consideration supporting this determination is available in the docket. For instructions on locating the docket, see the **ADDRESSES** section of this preamble.

#### G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your

message can be received without jeopardizing the safety or security of people, places or vessels.

#### Synopsis

1. By this Order, we amend parts 0 and 1 of the Commission's rules to codify a uniformly applicable standard for the exercise of delegated authority by various Bureaus and Offices to dismiss Applications for Review that do not comply with the procedural requirements of 47 CFR 1.115(a), (b), (d), or (f). Our current rules delegating authority to the various Bureaus and Offices are inconsistent on this issue. The rules delegating authority to certain Bureaus and Offices provide them with authority to dismiss procedurally defective Applications for Review.<sup>1</sup> The rules delegating authority to the other

<sup>1</sup> See 47 CFR 0.271(c), 0.331(c), 0.261(b)(3).

Bureaus and Offices do not expressly provide this authority.<sup>2</sup>

2. To remove this inconsistency, we hereby amend our rules to delegate authority to various Bureaus and Offices to dismiss any Application for Review that does not contain any statement required under 47 CFR 1.115(a) or (b),<sup>3</sup> or does not comply with the filing requirements of 47 CFR 1.115(d) or (f). We conclude that this action will eliminate confusion on this issue for the benefit of parties seeking Commission review of staff actions and parties opposing such challenges. In addition, this action will aid in the expeditious dismissal of procedurally defective Applications for Review. These amendments to the rules will apply to all Applications for Review filed on or after the effective date of the amendments set forth below.

3. We also take this opportunity to correct a typographical error in the rules describing the functions of the Wireline Competition Bureau. As codified, § 0.91(m) specifies that one of the functions of the Wireline Competition Bureau is to “[c]arry out the functions of the Commission under the Communications Act of 1934, as amended, except as reserved to the Commission under § 0.331.”<sup>4</sup> The reference to § 0.331 is an error, as that is the provision of our rules that delegates authority to the Wireless Telecommunications Bureau. Instead the limitation should refer to § 0.291 of our rules, which delegates authority to the Wireline Competition Bureau.

4. We hereby amend § 0.91 to correct that typographical error. We conclude that this action will eliminate confusion on this issue for the benefit of parties seeking to determine the scope of authority delegated to the Wireline Competition Bureau.

5. Finally, we make a minor correction to § 0.392(j) of the delegated authority rules for the Public Safety and Homeland Security Bureau, which states that the chief of that bureau has authority to administer the 911 communications reliability and redundancy rules and policies “contained in part 12 of this chapter.” The reference to part 12 is no longer correct because in 2019, the Commission moved the part 12 rules to part 9 as part of its general consolidation of 911 rules in the *Kari’s*

*Law/RAY BAUM’S Act* proceeding.<sup>5</sup> Therefore, we amend § 0.392(j) to replace the references to “part 12” with “part 9.”

6. *No Notice and Comment Required.* We have determined that the changes we adopt here are rules of agency organization, procedure, or practice, and are therefore exempt from the notice and comment requirements of the Administrative Procedure Act, 5 U.S.C. 553(b)(A).

7. *Regulatory Flexibility Act, Paperwork Reduction Act, and Congressional Review Act.* Section 603 of the Regulatory Flexibility Act, as amended, 5 U.S.C. 603(a), requires a regulatory flexibility analysis in notice and comment rulemaking proceedings. As we are adopting these rules without notice and comment, no regulatory flexibility analysis is required. This document does not contain any new or modified information collection(s) subject to the Paperwork Reduction Act of 1995, 44 U.S.C. 3501–3520. In addition, therefore, it does not contain any new or modified “information collection burden for small business concerns with fewer than 25 employees,” pursuant to the Small Business Paperwork Relief Act of 2002, 44 U.S.C. 3506(c)(4). The Commission will not send a copy of this Order pursuant to the Congressional Review Act, 5 U.S.C. 801(a)(1)(A), because the adopted rules are rules of agency organization, procedure, or practice that do not “substantially affect the rights or obligations of non-agency parties.”<sup>5</sup> 5 U.S.C. 804(3)(C).

8. Accordingly, *it is ordered* that pursuant to sections 4(i), 4(j), and 5 of the Communications Act of 1934, as amended, 47 U.S.C. 154(i), 154(j), 155, and 47 CFR 0.201(d), this *order* is hereby *adopted* and the rules set forth below are hereby *amended* effective 30 days after publication in the **Federal Register**.
