Pathenia M. Proctor, The Office of Unfair Import Investigations, U.S. International Trade Commission, telephone (202) 205–2560.

SUPPLEMENTARY INFORMATION:

Authority: The authority for institution of this investigation is contained in section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, and in section 210.10 of the Commission's Rules of Practice and Procedure, 19 CFR 210.10 (2020).

Scope of Investigation: Having considered the complaint, the U.S. International Trade Commission, on March 2, 2021, ordered that—

(1) Pursuant to subsection (b) of section 337 of the Tariff Act of 1930, as amended, an investigation be instituted to determine whether there is a violation of subsection (a)(1)(B) of section 337 in the importation into the United States, the sale for importation, or the sale within the United States after importation of certain products identified in paragraph (2) by reason of infringement of one or more of claims 6 and 8 of the '679 patent; claims 18–20 of the '326 patent; claims 12 and 16–18 of the '120 patent; and whether an industry in the United States exists as required by subsection (a)(2) of section 337;

(2) Pursuant to section 210.10(b)(1) of the Commission's Rules of Practice and Procedure, 19 CFR 210.10(b)(1), the plain language description of the accused products or category of accused products, which defines the scope of the investigation, is “LTE-compliant cellular phones, tablets, and smartwatches”;

(3) Pursuant to Commission Rule 210.50(b)(1), 19 CFR 210.50(b)(1), the presiding administrative law judge shall take evidence or other information and hear arguments from the parties or other interested persons with respect to the public interest in this investigation, as appropriate, and provide the Commission with findings of fact and a recommended determination on this issue, which shall be limited to the statutory public interest factors set forth in 19 U.S.C. 1337(d)(1), (f)(1), (g)(1);

(4) For the purpose of the investigation so instituted, the following are hereby named as parties upon which this notice of investigation shall be served:

(a) The complainant is: Evolved Wireless, LLC, 900 S Capital of Texas Highway, Suite 150, Austin, TX 78746.

(b) The respondents are the following entities alleged to be in violation of section 337, and are the parties upon which the complaint is to be served:

Samsung Electronics Co., Ltd., 129, Samseong-Ro, Yeoongtong-Gu, Suwon-Si, Gyeonggi-Do 16677, Republic of Korea

Samsung Electronics America, Inc., 85 Challenger Road, Ridgefield Park, NJ 07660–2118

Motorola Mobility LLC, 222 W Merchandise Mart Plaza, Suite 1800, Chicago, Illinois 60654

(c) The Office of Unfair Import Investigations, U.S. International Trade Commission, 500 E Street SW, Suite 401, Washington, DC 20436; and

(5) For the investigation so instituted, the Chief Administrative Law Judge, U.S. International Trade Commission, shall designate the presiding Administrative Law Judge.

Responses to the complaint and the notice of investigation must be submitted by the named respondents in accordance with section 210.13 of the Commission's Rules of Practice and Procedure, 19 CFR 210.13. Pursuant to 19 CFR 201.16(e) and 210.13(a), as amended in 85 FR 15798 (March 19, 2020), such responses will be considered by the Commission if received not later than 20 days after the date of service by the complainant of the complaint and the notice of investigation. Extensions of time for submitting responses to the complaint and the notice of investigation will not be granted unless good cause therefor is shown.

Failure of a respondent to file a timely response to each allegation in the complaint and in this notice may be deemed to constitute a waiver of the right to appear and contest the allegations of the complaint and this notice, and to authorize the administrative law judge and the Commission, without further notice to the respondent, to find the facts to be as alleged in the complaint and this notice and to enter an initial determination and a final determination containing such findings, and may result in the issuance of an exclusion order or a cease and desist order or both directed against the respondent.

Issued: March 2, 2021.

By order of the Commission.

Lisa Barton,

Secretary to the Commission.

INTERNATIONAL TRADE COMMISSION

[Investigation No. 731–TA–1472 (Final)]

Difluoromethane (R–32) From China

Determination

On the basis of the record¹ developed in the subject investigation, the United States International Trade Commission (“Commission”) determines, pursuant to the Tariff Act of 1930 (“the Act”), that an industry in the United States is materially injured by reason of imports of difluoromethane (R–32) from China, provided for in subheadings 2903.39.20 and 3824.78.00 of the Harmonized Tariff Schedule of the United States, that have been found by the U.S. Department of Commerce (“Commerce”) to be sold in the United States at less than fair value (“LTFV”).²

Background

The Commission instituted this investigation effective January 23, 2020, following receipt of a petition filed with the Commission and Commerce by Arkema, Inc., King of Prussia, Pennsylvania. The Commission scheduled the final phase of the investigation following notification of a preliminary determination by Commerce that imports of R–32 from China were being sold at LTFV within the meaning of section 733(b) of the Act (19 U.S.C. 1673b(b)). Notice of the scheduling of the final phase of the Commission's investigation and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of September 9, 2020 (85 FR 55688). Subsequently, the Commission cancelled its previously scheduled hearing following the withdrawal of petitioners' request to appear at the hearing (86 FR 6670, January 22, 2021).

The Commission made this determination pursuant to § 735(b) of the Act (19 U.S.C. 1673d(b)). It completed and filed its determination in this investigation on March 2, 2021. The views of the Commission are contained in USITC Publication 5165 (March 2021), entitled *Difluoromethane (R–32) from China: Investigation No. 731–TA–1472 (Final)*.

By order of the Commission.

¹ The record is defined in § 207.2(f) of the Commission's Rules of Practice and Procedure (19 CFR 207.2(f)).

² 86 FR 5136 (January 19, 2021).

Issued: March 2, 2021.

Lisa Barton,

Secretary to the Commission.

DEPARTMENT OF LABOR

Agency Information Collection Activities; Submission for OMB Review; Comment Request; Generic Clearance for Formative Data Collections for Research and Evaluation, New Collection

AGENCY: Office of the Assistant Secretary for Policy, Chief Evaluation Office, Department of Labor.

ACTION: Notice of information collection; request for comment.

SUMMARY: The Department of Labor (DOL), as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the general public and federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95). This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents is properly assessed. Currently, the Department of Labor is soliciting comments concerning the collection of data for formative data collections for

research and evaluations. A copy of the proposed Information Collection Request (ICR) can be obtained by contacting the office listed below in the addressee section of this notice.

DATES: Written comments must be submitted to the office listed in the addressee section below on or before May 7, 2021.

ADDRESSES: You may submit comments by either one of the following methods:
Email: ChiefEvaluationOffice@dol.gov; Mail or Courier: Chayun Yi, Chief Evaluation Office, OASP, U.S. Department of Labor, Room S-2312, 200 Constitution Avenue NW, Washington, DC 20210. *Instructions:* Please submit one copy of your comments by only one method. All submissions received must include the agency name and OMB Control Number identified above for this information collection. Comments, including any personal information provided, become a matter of public record. They will also be summarized and/or included in the request for OMB approval of the information collection request.

FOR FURTHER INFORMATION CONTACT: Chayun Yi by email at *ChiefEvaluationOffice@dol.gov* or by phone at (202) 693-5084.

SUPPLEMENTARY INFORMATION:
 I. *Background:* The Chief Evaluation Office (CEO) of the U.S. Department of Labor (DOL) intends to design and conduct evaluations of DOL-funded programs. Under this generic clearance, DOL would engage in a variety of formative data collections with researchers, practitioners, TA providers, service providers and potential

participants throughout the field to fulfill the following goals: (1) Inform the development of CEO research, (2) maintain a research agenda that is rigorous and relevant, (3) ensure that research products are as current as possible and (4) inform the provision of technical assistance. CEO envisions using a variety of techniques including semi-structured discussions, focus groups, surveys, and telephone or in-person interviews, in order to reach these goals. Following standard OMB requirements, DOL will submit a change request for each individual data collection activity under this generic clearance. Each request will include the individual instrument(s), a justification specific to the individual information collection, and any supplementary documents. OMB should review requests within 10 days of submission.

Type of Review: New information collection request.

OMB Control Number: 1290-0NEW.

Affected Public: The populations to be studied include key stakeholder groups involved in DOL projects and programs, state or local government officials, service providers, participants in DOL programs or similar comparison groups, experts in fields pertaining to DOL research and programs, or others involved in conducting DOL research or evaluation projects.

Comments submitted in response to this request will be summarized and/or included in the request for Office of Management and Budget approval of the information collection request; they will also become a matter of public record.

NATIONAL SCIENCE FOUNDATION

Request for Information: Science, Technology, Engineering, Art, and Mathematics at the Poles

AGENCY: National Science Foundation.

ACTION: Request for information.

SUMMARY: The National Science Foundation's (NSF) Office of Polar Programs (OPP) and the Education and Human Resources (EHR) Directorate

request input from interested parties on the goals, values, and approaches for managing the Antarctic Artist and Writers (AAW) Program and possibly expanding that program to include the Arctic. In addition, OPP and EHR request input into whether the NSF program which selects and sends educators to the Poles should be under a common management structure. This RFI will help inform NSF as it considers potential avenues for managing and
