The Department rescinds this system of records because it has been discontinued. The records previously maintained in this system are now maintained within the “Common Origination and Disbursement (COD) System” (18–11–02), which was last published in the **Federal Register** on August 16, 2019 (84 FR 41979).

The system of records titled “Return of Title IV Funds on the Web” (18–11–15) was a web-based product provided for postsecondary institutions to calculate the earned and unearned portions of student aid distributed under title IV of the HEA, when a student withdraws from a postsecondary institution without completing the period for which funds were awarded.
