

Analysis of Proposed Consent Order To Aid Public Comment

The Federal Trade Commission (“FTC” or “Commission”) has accepted, subject to final approval, an agreement containing a consent order from Gennex Media LLC and Akil Kurji (“Respondents”).

The proposed consent order has been placed on the public record for thirty days for receipt of comments from interested persons. Comments received during this period will become part of the public record. After thirty days, the Commission will again review the agreement and the comments received, and will decide whether it should withdraw from the agreement or make final the agreement’s proposed order.

This matter involves Respondents’ use of “Made in USA” claims to advertise and sell customizable promotional products to consumers. According to the FTC’s complaint, Respondents represented that the customizable promotional products they offer are all or virtually all made in the United States. In fact, in numerous instances, Respondents’ customizable promotional products are wholly imported from China. Indeed, in some instances the products ship directly to consumers from China without passing through Respondents’ U.S. facility. According to the complaint, Kurji, Gennex’s sole officer and shareholder, formulated or approved marketing materials with U.S.-origin claims despite knowing numerous products advertised are imported. Based on the foregoing, the complaint alleges that Respondents engaged in deceptive acts or practices in violation of Section 5(a) of the FTC Act.

The proposed consent order contains provisions designed to prevent Respondents from engaging in similar acts and practices in the future. Consistent with the FTC’s Enforcement Policy Statement on U.S. Origin Claims, Part I prohibits Respondents from making U.S.-origin claims for their products unless either: (1) The final assembly or processing of the product occurs in the United States, all significant processing that goes into the product occurs in the United States, and all or virtually all ingredients or components of the product are made and sourced in the United States; (2) a clear and conspicuous qualification appears immediately adjacent to the representation that accurately conveys the extent to which the product contains foreign parts, ingredients or components, and/or processing; or (3) for a claim that a product is assembled in the United States, the product is last

substantially transformed in the United States, the product’s principal assembly takes place in the United States, and United States assembly operations are substantial. Part II prohibits Respondents from making any country-of-origin claim about a product or service unless the claim is true, not misleading, and Respondents have a reasonable basis substantiating the representation.

Parts III through V are monetary provisions. Part III imposes a judgment of \$146,249.24. Part IV includes additional monetary provisions relating to collections. Part V requires Respondents to provide sufficient customer information to enable the Commission to administer consumer redress, if appropriate.

Parts VI through IX are reporting and compliance provisions. Part VI requires Respondents to acknowledge receipt of the order, to provide a copy of the order to certain current and future principals, officers, directors, and employees, and to obtain an acknowledgement from each such person that they have received a copy of the order. Part VII requires Respondents to file a compliance report within one year after the order becomes final and to notify the Commission within 14 days of certain changes that would affect compliance with the order. Part VIII requires Respondents to maintain certain records, including records necessary to demonstrate compliance with the order. Part IX requires Respondents to submit additional compliance reports when requested by the Commission and to permit the Commission or its representatives to interview Respondents’ personnel.

Finally, Part X is a “sunset” provision terminating the order after twenty (20) years, with certain exceptions.

The purpose of this analysis is to aid public comment on the proposed order. It is not intended to constitute an official interpretation of the complaint or proposed order, or to modify in any way the proposed order’s terms.

By direction of the Commission.

April J. Tabor,

Secretary.

BILLING CODE 6750-01-P

GENERAL SERVICES ADMINISTRATION

[Notice–PBS–2021–01; Docket No. 2021–0002; Sequence No. 2]

Notice of Availability and Announcement of Meeting for the Chet Holifield Federal Building Final Environmental Impact Statement, Laguna Niguel, California

AGENCY: Public Buildings Service (PBS), General Services Administration (GSA).

ACTION: Notice of Availability; Announcement of Meeting.

SUMMARY: This notice announces the availability of the Final Environmental Impact Statement (FEIS), which examines the potential impacts of a proposal by the General Services Administration (GSA) to address long-term housing for the tenants of the Chet Holifield Federal Building (CHFB) either through lease relocation or a combination of new construction and lease relocation; as well as the disposal of the CHFB out of federal ownership. The CHFB is owned and managed by GSA and is home to various federal agency tenants, with the United States Citizenship and Immigration Services (USCIS) serving as the largest tenant. The FEIS describes the reason for the project; alternatives considered; potential environmental impacts; avoidance, minimization, and mitigation measures; includes responses to comments received on the Draft Environmental Impact Statement; and identifies the Preferred Alternative. GSA is serving as the lead agency in this undertaking, and acting on behalf of its tenants at this facility.

DATES: GSA will hold a virtual public meeting for the FEIS on Tuesday, March 16th, 2021 from 4:30 p.m. to 6:30 p.m., Pacific Time (PT). Interested parties are encouraged to join and provide comments on the FEIS. The public comment period for the FEIS ends Sunday, April 4th, 2021. After this date, GSA may prepare and sign the Record of Decision (ROD), which would provide project approval; undertake additional studies; or abandon the project.

ADDRESSES: GSA will host a virtual public meeting during the public comment period as listed under **DATES** to solicit public comment. The purpose of the meeting is to collect public comments on the FEIS. The virtual public meeting will begin with presentations on the National Environmental Policy Act (NEPA) process and the proposed project. A copy of the presentation slideshow will

be made available prior to the meeting at <https://www.gsa.gov/ChetHNEPA>.

Following the presentations, there will be a moderated session during which members of the public can provide oral comments on the FEIS. Commenters will be allowed 3 minutes to provide comments. Comments will be recorded. Refer to the end of this notice for instructions on how to access the online public meeting.

Comments will be accepted during the meeting, by mail, and by email. Questions or comments concerning the FEIS should be directed to:

- Email: osmahn.kadri@gsa.gov.
- Postal Mail/Commercial Delivery:

Potomac-Hudson Engineering, Inc.,
ATTN: CHFB Final EIS, 77 Upper Rock
Circle Suite 302, Rockville, MD 20850
All comments received written or oral
will become public and part of the
Administrative Record.

Further information, including an
electronic copy of the FEIS, may be
found online on the following website:
<https://www.gsa.gov/ChetHNEPA>.

The Office of Management and Budget
is particularly interested in comments
that:

(a) Evaluate whether the proposed
collection of information is necessary
for the proper performance of the
functions of the agency, including
whether the information will have
practical utility;

(b) Evaluate the accuracy of the
agencies estimate of the burden of the
proposed collection of information,
including the validity of the
methodology and assumptions used;

(c) Enhance the quality, utility, and
clarity of the information to be
collected;

(d) Minimize the burden of the
collection of information on those who
are to respond, including, through the
use of appropriate automated,
electronic, mechanical, or other
technological collection techniques or
other forms of information technology,
e.g., permitting electronic submission of
responses; and

(e) Assess information collection
costs.
