comments on the proposed rule change from interested persons.

I. Clearing Agency's Statement of the Terms of Substance of the Proposed Rule Change

(a) The proposed rule change of NSCC is annexed hereto as Exhibit 5 and consists of modifications to NSCC's Rules & Procedures ("Rules") in order to remove the InsurExpress and Replacements services from Rule 57 of the Rules, as described in greater detail below.⁵

II. Clearing Agency's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the clearing agency included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The clearing agency has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

(A) Clearing Agency's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The proposed rule change consists of modifications to the Rules in order to remove the InsurExpress and Replacements services from Rule 57 of the Rules, as described in greater detail below.

Background

InsurExpress

In 2003, NSCC established a service ("InsurExpress") to allow Members, Mutual Fund/Insurance Services Members, Insurance Carrier/Retirement Services Members and Data Services Only Members (collectively, "I&RS Members") to submit application information and to settle premium payments with respect to life insurance products that it, at that time, called "Portal."⁶ In 2006, NSCC modified the Rules to, among other things, add a provision in the Rules specific to the service, rename the service "InsurExpress" and provide that InsurExpress would allow I&RS Members to transmit I&RS Data relating to the initiation, processing and

completion of applications for life insurance contracts and other insurance products among themselves.⁷ The provision relating to InsurExpress is set forth in Section 10 of Rule 57 of the Rules.⁸ The 2003 Filing introducing the service indicated that the proposed fee schedule was being developed and would be filed with the Commission at a later date.⁹

No I&RS Members signed up for or used InsurExpress, and fees for InsurExpress were never developed or filed with the Commission. In addition, there were no system developments made to the NSCC system in connection with InsurExpress. NSCC has no current plans to develop fees or build anything in the NSCC system relating to InsurExpress. As a result, NSCC would like to remove InsurExpress from the Rules.

Replacements

In 2010, NSCC established a service ("Replacements") intended to support the transmission of I&RS Data regarding the transfer, exchange or replacement of an existing insurance contract and settlement of payments in conjunction to these replacement transactions. System developments to the NSCC system were made to support Replacements and a fee schedule for the service was added in Section IV.K.3 of Addendum A of the Rules. In addition, NSCC believes that at least one I&RS Member signed up to use Replacements and possibly tested the service. However, the service was never used in production and no fees have been charged for the service. There are currently no I&RS Members signed up for Replacements and NSCC does not believe that any I&RS Members will use the service. As a result, NSCC would like to remove Replacements from the Rules.

Proposed Rule Change

In order to implement the proposal above, NSCC would delete Section 10 of Rule 57,¹⁰ which is the section relating to InsurExpress. In addition, NSCC would delete Section 11 of Rule 57,¹¹ which is the section relating to Replacements. NSCC would re-number Section 12 and Section 13 of Rule 57 to reflect the deletions of Sections 10 and 11 of Rule 57. NSCC would also remove the fees listed for Replacements in

Section IV.K.3 of Addendum A of the Rules.¹²

2. Statutory Basis

Section 17A(b)(3)(F) of the Act requires, in part, that the Rules be designed to promote the prompt and accurate clearance and settlement of securities transactions.¹³ NSCC believes that the proposed rule change is consistent with this provision because it would provide enhanced clarity and transparency for participants with respect to services offered by NSCC by updating the Rules to remove the ability to access services that I&RS Members did not utilize and are unlikely to utilize in the future.

Therefore, by providing enhanced clarity and transparency in the Rules regarding the services provided by NSCC, NSCC believes the proposed rule change would promote the prompt and accurate clearance and settlement of securities transactions, consistent with the requirements of the Act, in particular Section 17A(b)(3)(F), cited above.

(B) Clearing Agency's Statement on Burden on Competition

NSCC does not believe that the proposed rule change would have any impact on competition. I&RS Members have not used InsurExpress or Replacements and are unlikely to use either service in the future. Therefore, the proposed rule change should have no effect on I&RS Members, other than to remove InsurExpress and Replacements from the Rules which are unlikely to be utilized by I&RS Members.

(C) Clearing Agency's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

NSCC has not received or solicited any written comments relating to this proposal. NSCC will notify the Commission of any written comments received by NSCC.

III. Date of Effectiveness of the Proposed Rule Change, and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)¹⁴ of the Act and paragraph (f)¹⁵ of Rule 19b-4 thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend

Self-Regulatory Organizations; Cboe EDGX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Rule 11.11 (Routing to Away Trading Centers), as Well as Its Fee Schedule, To Delete References to the INET and RDOX Routing Options

March 5, 2021.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on March 1, 2021, Cboe EDGX Exchange, Inc. ("Exchange" or "EDGX") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange filed the proposal as a "non-controversial" proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act³ and Rule 19b-4(f)(6) thereunder.⁴ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Cboe EDGX Exchange, Inc. (the "Exchange" or "EDGX") proposes to amend Rule 11.11 (Routing to Away Trading Centers), as well as its Fee Schedule, to delete references to the INET and RDOX routing options. The text of the proposed rule change is provided in Exhibit 5.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend paragraphs (4) and (6) under Exchange Rule 11.11(g) and 11.11(a) to delete all references to the INET and RDOX routing options. The Exchange also proposes to delete all references to the INET routing option from the EDGX Fee Schedule, as provided in fee codes 2 and L. The Exchange intends to implement the proposed rule changes on March 1, 2021.

Exchange Rule 11.11(g) provides for various routing options available on the Exchange. Specifically, Rule 11.11(g)(4) provides for the INET routing option, under which an order checks the System⁵ for available shares and then is sent to Nasdaq. If shares remain unexecuted after routing, they are posted on the Nasdaq book, unless otherwise instructed by the User.⁶ Similarly, Exchange Rule 11.11(g)(6) provides for the RDOX routing option, under which an order checks the System for available shares and then is sent to the NYSE and can be re-routed by the NYSE. If shares remain unexecuted after routing, they are posted on the NYSE book, unless otherwise instructed by the User.

The Exchange has determined because few Users select the INET or RDOX routing options, the current demand does not warrant the infrastructure and ongoing maintenance expenses required to support the product. Therefore, the Exchange now

⁵ The term "System" shall mean the electronic communications and trading facility designated by the Board through which securities orders of Users are consolidated for ranking, execution and, when applicable, routing away. See Exchange Rule 1.5(cc).

⁶ The term "User" shall mean any Member or Sponsored Participant who is authorized to obtain access to the System pursuant to Rule 11.3. See Exchange Rule 1.5(ee).
