Authority: 38 U.S.C. 501 and 5317.

Title: Employment Questionnaire (VA Form 21–4140).

OMB Control Number: 2900–0079.

Type of Review: Reinstatement of a previously approved collection.

Abstract: VA Forms 21–4140 is used to gather the necessary information to determine continued entitlement to individual unemployability. 38 CFR 3.652 provides that recipients are required to certify, when requested, that the eligibility factors which established entitlement to the benefit being paid continue to exist. Individual unemployability is awarded based on a veteran's inability to be gainfully employed due to service-connected disabilities, and entitlement may be terminated if a veteran begins working. Without information about recipients' employment, VA would not be able to determine continued entitlement to individual unemployability, and overpayments would result.

The respondent burden has decreased due to the removal of one of the forms listed within this collection. VA Form 21–4140 has not been changed; this is a reinstatement only.

Affected Public: Individuals and households.

Estimated Annual Burden: 247 hours.

Estimated Average Burden per Respondent: 5 minutes.

Frequency of Response: On occasion.

Estimated Number of Respondents: 2,960.

By direction of the Secretary.
