DEPARTMENT OF AGRICULTURE

Submission for OMB Review; Comment Request

March 9, 2021.

The Department of Agriculture has submitted the following information collection requirement(s) to Office of Management and Budget (OMB) for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104–13. Comments are requested regarding: Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; ways to enhance the quality, utility and clarity of the information to be collected; ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Comments regarding this information collection received by April 12, 2021 will be considered. Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to

the collection of information unless it displays a currently valid OMB control number.

Rural Utilities Service

Title: Technical Assistance and Training and Training for Innovative Regional Wastewater Treatment Solutions (TAT/RWTS) Pilot Grant Program.

OMB Control Number: 0572–0157.

Summary of Collection: Rural Utilities Services (RUS), a Rural Development agency of the United States Department of Agriculture (USDA), announces the availability of up to \$5 million in competitive grants to eligible entities to fund a new pilot program. This pilot program, called the Technical Assistance and Training for Innovative Regional Wastewater Treatment Solutions (TAT/RWTS) Grant Pilot Program, was authorized by the Further Consolidated Appropriations Act, 2020, for the study and design of innovative treatment solutions of regional wastewater systems for historically impoverished communities that have had difficulty installing traditional wastewater treatment systems due to soil conditions.

Need and Use Of the Information: Qualified regional consortiums will receive TAT/RWTS grant funds to identify and evaluate economically feasible, innovative regional solutions to wastewater treatment concerns for historically impoverished communities in areas which have had difficulty installing traditional wastewater treatment systems due to soil conditions. Grants are for wastewater-related technical assistance, including such services as feasibility studies, preliminary design assistance and supervision, oversight, or training for the development of an application for financial assistance.

Grantees will be expected to provide the Agency with a detailed report to include the area to be served, the issues with the present method of wastewater discharge, the alternatives and innovative solutions to the wastewater issue, the long-term cost and effect of the solution, the affordability including possible funding sources, potential treatment, staff training needs, and lifecycle cost analysis.

Description of Respondents: Not-for-profit institutions.

Number of Respondents: 9.

Frequency of Responses: Reporting: On occasion.

Risk Management Agency

Title: Standard Reinsurance Agreement.

OMB Control Number: 0563–0069.

Summary of Collection: The Federal Crop Insurance Act, Title 7 U.S.C. Chapter 36 Sec. 1508(k), authorizes the Federal Crop Insurance Corporation (FCIC) to provide reinsurance to approved insurance providers who insure producers of any agricultural commodity under one or more plans acceptable to FCIC. The Standard Reinsurance Agreement (SRA) is a financial agreement between FCIC and the company to provide subsidy and reinsurance on eligible crop insurance. The SRA includes Regulatory Duties and Responsibilities, Plan of Operations, Policy Acceptance and Storage System and Quality Assurance and Program Integrity.

Need and Use of the Information: The Plan of Operations provides the information the insurer is required to file for the initial and each subsequent reinsurance year. FCIC uses the information as a basis for the approval of the insurer's financial and operational capability of delivering the crop insurance program and for evaluating the insurer's performance regarding implementation of procedures for training and quality control. If the information were not collected, FCIC would not be able to reinsure the crop business.

Rural Housing Service

Title: RD 1951–65, “Customer Initiated Payments”, RD 1951–66, “FedWire Worksheet”, and 3550–28, “Authorization Agreement for Preauthorization Payments.”

OMB Control Number: 0575–0184.

Summary of Collection: Rural Development (RD) uses electronic methods for receiving and processing loan payments and collections. These electronic collection methods are approved by Treasury and include Preauthorized Debits (PAD), Customer Initiated Payments (CIP), and FedWire. These electronic collection methods provide the borrower the ability to submit their loan payments the day prior to, or the day of their installment due date. To administer these electronic payment methods, RD will use approved agency forms for collecting financial institution routing information. Form RD 3550–28, Authorization Agreement for Preauthorized Payments, is prepared by the borrower to authorize RD to electronically collect regular loan payments from a borrower's account at a financial institution (FI) as preauthorized debits. Form RD 1951–65,

is prepared by the borrower to enroll in CIP. CIP is an electronic collection method that enables borrowers to input payment data to a contract bank via telephone (touch tone and voice) or computer terminal. Form RD 1951–66, FedWire Worksheet, is completed by the borrower to establish an electronic FedWire format with their FI.

Need and use of the Information: RD will request that borrowers make payments electronically via PAD, CIP, or FedWire. The information is collected only once unless the FI routing information changes. If the information were not collected, RD would be unable to collect loan payments electronically.

Description of Respondents: Not-for-profit institutions; Business or other for-profit; State, Local or Tribal Government.

Number of Respondents: 9,598.

Frequency of Responses: Reporting: On occasion.

Total Burden Hours: 2,399.
