Title of Collection: Application for Flexibility for Equitable Per-pupil Funding.

OMB Control Number: 1810-0734.

Type of Review: Extension without change of a currently approved collection.

Respondents/Affected Public: State, Local, and Tribal Governments *Total Estimated Number of Annual Responses:* 10.

Total Estimated Number of Annual Burden Hours: 560.

Abstract: This is a request to collect critical information for the Application for Flexibility for Equitable Per-pupil Funding, the instrument through which

local educational agencies (LEAs) apply for flexibility to consolidate eligible Federal funds and State and local education funding based on weighted per-pupil allocations for low-income and otherwise disadvantaged students. This program allows LEAs to consolidate funds under the following Federal education programs: Elementary and Secondary Education Act of 1965 (ESEA); Title I, Part A Improving Basic Programs Operated by Local Educational Agencies; Title I, Part C Education of Migratory Children; Title I, Part D, Subpart 2 Local Prevention and Intervention Programs for Children and Youth Who Are Neglected, Delinquent, or At-Risk; Title II Preparing, Training, and Recruiting High-quality Teachers, Principals, or Other School Leaders; Title III Language Instruction for English Learners and Immigrant Students; Title IV, Part A Student Support and Academic Enrichment Grants; Title VI, Part B Rural Education Initiative. On December 10, 2015, the programs above were reauthorized by the Elementary and Secondary Education Act of 1965 (ESEA), as amended by the Every Student Succeeds Act (ESSA). The Flexibility for Equitable Per-pupil Funding under section 1501 of the ESEA allows the U.S. Department of Education (Department) to offer an LEA the opportunity to consolidate funds under the above-listed programs to support the LEA in creating a single school funding system based on weighted per-pupil allocations for low-income and otherwise disadvantaged students, with attendant flexibility in using those funds.
