### A. Overview of Information Collection

*Title of Information Collection:*  
Collection of Required Information for  
CARES Act Quarterly Reporting.

*OMB Approval Number:* Pending.

*Type of Request:* New.

*Form Number:* Forms associated to  
collections listed below.

*Description of the need for the  
information and proposed use:* On  
March 27, 2020, the “Coronavirus Aid,  
Relief, and Economic Security Act”  
(CARES Act) was signed into law. The  
CARES Act provided \$12.4 billion in  
additional FY2020 funding for HUD to  
prevent, prepare for, and respond to  
COVID-19, including providing  
additional resources to meet emerging  
needs, support existing rental assistance  
programs, and to support capacity and  
oversight. The award provides HUD  
recipients the flexibility to meet  
evolving COVID-19 needs in their  
respective communities, including  
extending operational hours, increasing  
staffing hours, purchasing additional  
equipment, enhancing workforce  
training and capacity development, and  
providing critical housing services to  
people during this pandemic.

The U.S. Department of Housing and  
Urban Development requests a clearance  
of this information collection request to  
allow for immediate outreach to Large  
Covered Funds recipients, defined as  
recipients of CARES Grant amounts over  
\$150,000. This information collection  
request will enable the U.S. Department  
of Housing and Urban Development  
(HUD) to collect the quarterly  
information required to be in  
compliance with the requirements  
outlined in section 15011 of the CARES  
Act. Reporting provisions include that  
not later than 10 days after the end of  
each calendar quarter, each covered  
recipient shall submit to the agency and  
the committee a report that contains (A)  
the total amount of large covered funds  
received from the agency; (B) the  
amount of large covered funds received  
that were expended or obligated for  
each project or activity; (C) a detailed  
list of all projects or activities for which  
large covered funds were expended or  
obligated, including (i) the name of the  
project or activity; (ii) a description of  
the project or activity; and (iii) the  
estimated number of jobs created or  
retained by the project or activity.

The Director of the Office of  
Management and Budget, in  
consultation with the Secretary of the  
Treasury, the Administrator of the Small  
Business Administration, and the  
Chairperson of the Council of Economic  
Advisors, shall submit to the  
appropriate congressional committees  
and publicly release on the website  
established under section 15010(g)  
quarterly reports that detail the impact  
of programs funded through large  
covered funds on employment,  
estimated economic growth, and other  
key economic indicators, including  
information about impacted industries.

This information will be reported by  
the grant recipients to the program  
offices within HUD, then aggregated  
with the related information already  
being captured today. This aggregated  
information will form the required  
quarterly reporting for CARES Act funds  
that HUD submits to the Pandemic  
Response Accountability Committee  
(PRAC).

For those programs where this would  
be an increase in the frequency of the  
information currently reported by  
moving from annual to quarterly  
reporting, the actual use of the  
information currently collected is the  
quarterly submission file to the PRAC.

*Respondents (i.e. affected public):* The  
respondents for this information  
collection request are the HUD program  
recipients of large covered funds  
provided by the CARES ACT, as defined  
in the above section.

*Estimated Number of Respondents:* There are an estimated 3,700 potential respondents across all HUD programs based on the obligations data from USASpending.gov as of March 4, 2021.

*Frequency of Response:* This information is to be captured quarterly, as outlined in the reporting requirements section of the CARES Act.

*Related Forms and Processes Currently in Place:* The following table outlined the related forms that will be impacted as part of this collection effort:

Information collection	Number of respondents	Frequency of response	Responses per annum	Burden hour per response	Annual burden hours	Hourly cost per response	Annual cost
CDBG .....	1,209	3	3,627	14.18	51,445	35.16	\$1,808,794

\*Please note: The table above is only reflective of the existing PRAs for CPD programs, with the total current number potential respondents across all HUD programs (based on the obligations data from USASpending.gov as of March 4, 2021) is estimated to be 5,000.
