**AGENCY:** United States Mint, Department of the Treasury.

**ACTION:** Request.

**SUMMARY:** The Circulating Collectible Coin Redesign Act of 2020 directs the Secretary of the Treasury (Secretary) to redesign and issue quarter-dollar coins that feature designs on the reverse emblematic of the accomplishments of a prominent American woman (Program). As part of the Program, each year, over a four-year period (2022–2025), the United States Mint (Mint) will issue quarter-dollar coins bearing up to five different reverse designs, each emblematic of the accomplishments and contributions of one prominent woman of the United States. The contributions may come from a wide spectrum of accomplishments and fields, including but not limited to suffrage, civil rights, abolition, government, humanities, science, space, and arts.

**SUPPLEMENTARY INFORMATION:** The Secretary will select the women to be honored after soliciting recommendations from the general public, and in consultation with the Smithsonian Institution's American Women's History Initiative, the National Women's History Museum, and the Bipartisan Women's Caucus (Consultants).
