### Change in Class of General Applicability for Competitive Products

**AGENCY:** Postal Service™.

**SUMMARY:** This notice sets forth changes in class of general applicability for Priority Mail Express.

**DATES:** May 23, 2021.

**FOR FURTHER INFORMATION CONTACT:** Elizabeth Reed, 202-268-3179.

**SUPPLEMENTARY INFORMATION:** On February 8, 2021, pursuant to their authority under 39 U.S.C. 3632, the Governors of the Postal Service established classification changes for a competitive product, namely, Priority Mail Express. **Joshua J. Hofer,**

*Attorney, Ethics & Legal Compliance.*

**Decision of the Governors of the United States Postal Service on Changes in Class of General Applicability for Competitive Product (Governors' Decision No. 21-1)**

February 8, 2021

**Statement of Explanation and Justification**

Pursuant to authority under section 3632 of title 39, as amended by the Postal Accountability and Enhancement Act of 2006 ("PAEA"), we establish changes in a class of general applicability for the Postal Service's shipping services (competitive products), namely, Priority Mail Express. The changes are reflected in the attached draft Mail Classification Schedule (MCS) sections, with classification changes shown in legislative format.

The Postal Service intends to make certain changes to the Priority Mail Express product to update the guaranteed delivery times available to customers. The base service will now provide 6:00 p.m. delivery commitments for all origin-destination

ZIP Code pairs. All current 12:00 p.m., 3:00 p.m., and 5:00 p.m. delivery commitments will be moved to 6:00 p.m. These changes are intended to better align the product with operational capabilities, reduce the need for extraordinary operational efforts and deviations, and maintain a competitive end-of-day offering in the shipping services market. These delivery time changes will be accomplished via updates to the Domestic Mail Manual (DMM), which will be issued in conjunction with this Governors' Decision and associated Commission filing.

In accordance with these changes, the Postal Service will be eliminating the 10:30 a.m. delivery option and the associated fee from the Priority Mail Express product in the MCS. All other aspects of the Priority Mail Express product in the MCS will remain unchanged.

We have reviewed management's proposal and have evaluated the classification changes in accordance with 39 U.S.C. 3632-3633 and 39 CFR 3035. We approve the changes, finding that they are appropriate, and are consistent with the regulatory criteria as indicated by management.

**Order**

The classification changes set forth herein shall be effective on April 18, 2021, or as deemed advisable by management thereafter. We direct the Secretary to have this decision published in the **Federal Register** in accordance with 39 U.S.C. 3632(b)(2), and direct management to file with the Postal Regulatory Commission appropriate notice of these changes.

**SECURITIES AND EXCHANGE COMMISSION**

[SEC File No. 270-139, OMB Control No. 3235-0128]

**Submission for OMB Review; Comment Request**

*Upon Written Request, Copies Available From:* Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

*Extension:* Rule 12f-1

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (“PRA”) (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) has submitted to the

Office of Management and Budget (“OMB”) a request for approval of extension of the previously approved collection of information provided for in Rule 12f-1 (17 CFR 240.12f-1) under the Securities Exchange Act of 1934 (“Act”) (15 U.S.C. 78a *et seq.*).

Rule 12f-1 (“Rule”), originally adopted in 1979 pursuant to Sections 12(f) and 23(a) of the Act, and as further modified in 1995 and 2005, sets forth the requirements for filing an exchange application to reinstate unlisted trading privileges (“UTP”) in a security in which UTP has been suspended by the Commission pursuant to Section 12(f)(2)(A) of the Act. Under Rule 12f-1, an exchange must submit one copy of an application for reinstatement of UTP to the Commission that contains specified information, as set forth in the Rule. The application for reinstatement, pursuant to the Rule, must provide the name of the issuer, the title of the security, the name of each national securities exchange, if any, on which the security is listed or admitted to unlisted trading privileges, whether transaction information concerning the security is reported pursuant to an effective transaction reporting plan contemplated by Rule 601 of Regulation NMS, the date of the Commission’s suspension of unlisted trading privileges in the security on the exchange, and any other pertinent information related to whether the reinstatement of UTP in the subject security is consistent with the maintenance of fair and orderly markets and the protection of investors. Rule 12f-1 further requires a national securities exchange seeking to reinstate its ability to extend unlisted trading privileges in a security to indicate that it has provided a copy of such application to the issuer of the security, as well as to any other national securities exchange on which the security is listed or admitted to unlisted trading privileges.

The information required by Rule 12f-1 enables the Commission to make the necessary findings under the Act prior to granting applications to reinstate unlisted trading privileges. This information is also made available to members of the public who may wish to comment upon the applications. Without the Rule, the Commission

would be unable to fulfill these statutory responsibilities.

There are currently 24 national securities exchanges subject to Rule 12f-1. The burden of complying with Rule 12f-1 arises when a potential respondent seeks to reinstate its ability to extend unlisted trading privileges to any security for which unlisted trading privileges have been suspended by the Commission, pursuant to Section 12(f)(2)(A) of the Act. The staff estimates that each application would require approximately one hour to complete. Thus each potential respondent would incur on average one burden hour in complying with the Rule.

The Commission staff estimates that there could be as many as 24 responses annually for an aggregate annual hour burden for all respondents of approximately 24 hours (24 responses × 1 hour per response). Each respondent’s related internal cost of compliance for Rule 12f-1 would be approximately \$221.00, or, the cost of one hour of professional work of a paralegal needed to complete the application. The total annual cost of compliance for all potential respondents, therefore, is approximately \$5,304 (24 responses × \$221.00 per response).

Compliance with Rule 12f-1 is mandatory. Rule 12f-1 does not have a record retention requirement *per se*. However, responses made pursuant to Rule 12f-1 are subject to the recordkeeping requirements of Rules 17a-3 and 17a-4 of the Act. Information received in response to Rule 12f-1 shall not be kept confidential; the information collected is public information.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.
