

I. Obtaining Information and Submitting Comments

A. Obtaining Information

Please refer to Docket ID NRC–2019–0080 when contacting the NRC about the availability of information for this action. You may obtain publicly available information related to this action by any of the following methods:

- *Federal Rulemaking Website*: Go to <https://www.regulations.gov/> and search for Docket ID NRC–2019–0080. A copy of the collection of information and related instructions may be obtained without charge by accessing Docket ID NRC–2019–0080 on this website.

- *NRC's Agencywide Documents Access and Management System (ADAMS)*: You may obtain publicly available documents online in the ADAMS Public Documents collection at <https://www.nrc.gov/reading-rm/adams.html>. To begin the search, select "Begin Web-based ADAMS Search." For problems with ADAMS, please contact the NRC's Public Document Room (PDR) reference staff at 1–800–397–4209, 301–415–4737, or by email to pdr.resource@nrc.gov. A copy of the collection of information and related instructions may be obtained without charge by accessing ADAMS Accession ML20080L789. The supporting statement is available in ADAMS under Accession No. ML19312A393.

- *Attention*: The PDR, where you may examine and order copies of public documents, is currently closed. You may submit your request to the PDR via email at pdr.resource@nrc.gov or call 1–800–397–4209 or 301–415–4737, between 8:00 a.m. and 4:00 p.m. (EST), Monday through Friday, except Federal holidays.

- *NRC's Clearance Officer*: A copy of the collection of information and related instructions may be obtained without charge by contacting the NRC's Clearance Officer, David Cullison, Office of the Chief Information Officer, U.S. Nuclear Regulatory Commission, Washington, DC 20555–0001; telephone: 301–415–2084; email: Infocollects.Resource@nrc.gov.

B. Submitting Comments

The NRC encourages electronic comment submission through the Federal Rulemaking website (<https://www.regulations.gov/>). Please include Docket ID NRC–2019–0080 in your comment submission.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. All comment submissions are posted at [https://](https://www.regulations.gov/)

www.regulations.gov/ and entered into ADAMS. Comment submissions are not routinely edited to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the OMB, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that comment submissions are not routinely edited to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

II. Background

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC is requesting public comment on its intention to request the OMB's approval for the information collection summarized below.

1. *The title of the information collection*: Tribal Participation in the Advance Notification Program.

2. *OMB approval number*: An OMB control number has not yet been assigned to this proposed information collection.

3. *Type of submission*: New.

4. *The form number, if applicable*: Not applicable.

5. *How often the collection is required or requested*: Information would be requested: (1) Every five years, (2) after an Indian Tribe achieves Federal recognition, (3) when a transportation route is approved that is within an Indian Tribe's reservation or that crosses a reservation boundary, and (4) when there are changes. Information is requested from those Indian Tribes seeking to receive advance notifications. Some information is requested one time.

6. *Who will be required or asked to respond*: Federally recognized Indian Tribes. Only those federally recognized Indian Tribes with reservations and either receiving or seeking to receive the advance notifications would be asked to respond to the specific information request.

7. *The estimated number of annual responses*: 22 (7 reporting responses + 15 recordkeepers).

8. *The estimated number of annual respondents*: 15.

9. *The estimated number of hours needed annually to comply with the information collection requirement or request*: 34.5 (24.5 hours reporting + 10 hours recordkeeping).

10. *Abstract*: In order to receive notifications when certain shipments of nuclear waste or shipments of irradiated

reactor fuel within or across the boundary of an Indian Tribe's reservation, Indian Tribes will submit certifications that Tribal official or their designee(s) has (or have) taken training on the handling of safeguards information (SGI) and the Indian Tribe has the necessary protection measures in place and the Indian Tribe will protect the SGI. If the Tribal official is designating another person to receive the advance notifications, information on the designation will be provided. The Indian Tribe will also provide the contact information for the Tribal official or the Tribal official's designee(s). The Indian Tribe will also provide an affirmation of the boundaries of the Indian Tribe's reservation or the necessary corrections to a map provided by the NRC. The NRC will also collect the name and contact information for the Indian Tribe's emergency response contact(s). The NRC makes this information to others, including NRC licensees and agreement state licensees. NRC licensees will use the information to comply with the NRC's regulations that require them to provide advance notice of certain shipments of radioactive material to participating Indian Tribes.

III. Specific Requests for Comments

The NRC is seeking comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?

2. Is the estimate of the burden of the information collection accurate?

3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?

4. How can the burden of the information collection on respondents be minimized, including the use of automated collection techniques or other forms of information technology?

Dated: March 31, 2021.

For the Nuclear Regulatory Commission.

David C. Cullison,
NRC Clearance Officer, Office of the Chief Information Officer.

I. Introduction and Overview

On March 26, 2021, the Postal Service filed notice with the Commission concerning changes in class of general applicability for competitive products.¹ The Postal Service represents that, as required by 39 CFR 3035.104(b), the Notice includes an explanation and justification for the changes, the effective date, and certification of the vote. *See* Notice at 1. The changes are scheduled to take effect on May 23, 2021. *Id.*

Attached to the Notice is Governors' Decision No. 21-1, which states the classification changes are in accordance with 39 U.S.C. 3632 and 3633 and 39 CFR 3035.² The attachment to the Governors' Decision sets forth the classification changes and includes draft Mail Classification Schedule language for competitive products of general applicability.

In addition to the Governors' Decision, the Postal Service includes a **Federal Register** notice detailing the changes.

Planned Delivery Changes for Priority Mail Express. The Governors' Decision includes an overview of the Postal

Service's planned classification change eliminating the 10:30 a.m. delivery option for the Priority Mail Express product and the associated fee for that option. Notice at 1; Governors' Decision No. 21-1 at 1.

II. Initial Administrative Actions

The Commission establishes Docket No. CP2021-81 to consider the Postal Service's Notice. Interested persons may express views and offer comments on whether the planned changes are consistent with 39 U.S.C. 3632, 3633, and 3642, 39 CFR part 3035, and 39 CFR part 3040 subparts B and E. Comments are due no later than April 8, 2021. For specific details of the planned classification changes, interested persons are encouraged to review the Notice, which is available on the Commission's website at www.prc.gov.

Pursuant to 39 U.S.C. 505, Stephanie A. Quick is appointed to serve as Public Representative to represent the interests of the general public in this docket.

III. Ordering Paragraphs

It is ordered:

1. The Commission establishes Docket No. CP2021-81 to provide interested persons an opportunity to express views and offer comments on whether the planned changes are consistent with 39 U.S.C. 3632, 3633, and 3642, 39 CFR part 3035, and 39 CFR part 3040 subparts B and E.

2. Comments are due no later than April 8, 2021.

3. Pursuant to 39 U.S.C. 505, the Commission appoints Stephanie A. Quick to serve as an officer of the Commission (Public Representative) to represent the interests of the general public in this docket.

4. The Secretary shall arrange for publication of this order in the **Federal Register**.

By the Commission.

I. Introduction

On March 26, 2021, the Postal Service filed a notice with the Commission pursuant to 39 U.S.C. 3642 and 39 CFR 3040.130 *et seq.*, requesting that Bound Printed Matter Parcels be transferred from the Market Dominant product list to the Competitive product list as Parcel Select Bound Printed Matter.¹ In support of its Request, the Postal Service filed the following documents:

- Attachment A—Resolution of the Governors of the United States Postal Service, August 8, 2019 (Resolution No. 19-8);

- Attachment B—Certification; and
- Attachment C—Draft Mail Classification Schedule (MCS)

Language.

The Postal Service asserts that the new Parcel Select Bound Printed Matter product fulfills all of the criteria for competitive products under section 3642. *See* Request at 2-14. Specifically, the Postal Service states that mailers use Bound Printed Matter Parcels to ship inexpensive "light- to moderate-weight packages containing books, catalogs, and similar printed matter" for ground delivery as an alternative to more general-purpose ground shipping products offered by competitors. *See id.* at 6-7. The Postal Service notes that Bound Printed Matter Parcels also competes against hybrid products offered by resellers who enter the packages into the Postal Service's mailstream as Bound Printed Matter Parcels. *Id.* at 8. As evidence that it does not exercise monopoly power over Bound Printed Matter Parcels, the Postal
