for approval. To comply with this requirement, the OCC is publishing notice of the proposed collection of information set forth in this document.

Title: Release of Non-Public Information.

OMB Control No.: 1557–0200.

Abstract: The information collection requirements require individuals who are requesting non-public OCC information to provide the OCC with information regarding the legal grounds for the request. The release of non-public OCC information to a requester without sufficient legal grounds to obtain the information would inhibit open consultation between a bank and the OCC, thereby impairing the OCC's supervisory and regulatory mission. The OCC is entitled, under statute and case law, to require requesters to demonstrate that they have sufficient legal grounds for the OCC to release non-public OCC information. The OCC needs to identify the requester's legal grounds to determine if it should release the requested non-public OCC information.

The information requirements in 12 CFR part 4, subpart C, are as follows:

- 12 CFR 4.33: Request for non-public OCC records or testimony;
- 12 CFR 4.35(b)(3): Third parties requesting testimony;
- 12 CFR 4.37(a)(2): OCC former employee notifying OCC of subpoena;
- 12 CFR 4.37(a) and (b): Prohibition on dissemination of released information;
- 12 CFR 4.38(a) and (b): Restrictions on dissemination of released information; and
- 12 CFR 4.39(d): Request for authenticated records or certificate of nonexistence of records.

The OCC uses the information to process requests for non-public OCC information and to determine if sufficient grounds exist for the OCC to release the requested information or provide testimony that would include a discussion of non-public information. This information collection facilitates the processing of requests and expedites the OCC's release of non-public information and testimony to the requester, as appropriate.

Type of Review: Extension, without change, of a currently approved collection.

Affected Public: Businesses or other for-profit; individuals.

Number of Respondents: 2.

Frequency of Response: On occasion.

Total Annual Burden: 6 hours.

Comments submitted in response to this notice will be summarized and included in the request for OMB approval. All comments will become a

matter of public record. Comments are invited on:

(a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information has practical utility;

(b) The accuracy of the agency's estimate of the burden of the collection of information;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected;

(d) Ways to minimize the burden of the collection on respondents, including through the use of automated collection techniques or other forms of information technology; and

(e) Estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.
