SUPPLEMENTARY INFORMATION:

Public Participation

Interested persons or organizations
are invited to participate by submitting
written views, recommendations, and
data related to the *Draft Guideline*.

Please note that comments received,
including attachments and other
supporting materials, are part of the
public record and are subject to public
disclosure. Comments will be posted on
<https://www.regulations.gov>. Therefore,
do not include any information in your
comment or supporting materials that
you consider confidential or
inappropriate for public disclosure. If
you include your name, contact
information, or other information that
identifies you in the body of your
comments, that information will be on
public display. CDC will review all
submissions and may choose to redact,
or withhold, submissions containing
private or proprietary information such
as Social Security numbers, medical
information, inappropriate language, or
duplicate/near duplicate examples of a
mass-mail campaign. CDC will carefully
consider all comments submitted in
preparation of the final *Guideline for
Prevention and Control of Infections in
Neonatal Intensive Care Unit Patients*
and may revise the final document as
appropriate.

Background

The *Draft Guideline*, located in the
“Supporting & Related Material” tab of
the docket, provides new, evidence-
based recommendations specific to the
prevention and control of CLABSI in
NICU patients, including insertion and
maintenance practices.

The *Draft Guideline* is intended for
use by infection prevention staff,
healthcare epidemiologists, healthcare
administrators, nurses, neonatologists,
other healthcare providers, and persons
responsible for developing,
implementing, and evaluating infection
prevention and control programs for
NICUs. The guideline can also serve as
a resource for societies or organizations
to develop more detailed
implementation guidance for the
prevention of infection in NICU
patients.

The Healthcare Infection Control
Practices Advisory Committee
(HICPAC), a federal advisory committee
chartered to provide advice and
guidance to the CDC, worked with
national partners, academicians, public
health professionals, healthcare
providers, and other partners to develop
this *Draft Guideline*. HICPAC includes
representatives from public health,
infectious diseases, regulatory and other
federal agencies, professional societies,
and other stakeholders.

The draft recommendations in this
Draft Guideline are informed by a
systematic review of the best available
literature through February 2017 and of
relevant references published since
February 2017 suggested by subject
matter experts. This *Draft Guideline* will
not be a federal rule or regulation.

Dated: April 6, 2021.

Sandra Cashman,

Executive Secretary, Centers for Disease
Control and Prevention.
