Proposed Project

TEMPORARY HALT IN RESIDENTIAL EVICTIONS TO PREVENT THE FURTHER SPREAD OF COVID-19—Extension—National Center for Emerging Zoonotic and Infectious Diseases (NCEZID), Centers for Disease Control and Prevention (CDC).

Background and Brief Description

Recent CDC actions in response to COVID included a temporary eviction moratorium published on September 4, 2020 that was effective through December 31, 2020. The Consolidated Appropriations Act, 2021 extended the Order until January 31, 2021. On January 29, 2021, the CDC Director

renewed the Order through March 31, 2021. The Order has now been further extended until June 30, 2021.

As of March 25, 2021, over 29,700,000 cases of COVID have been identified in the United States, with new cases reported daily, and over 540,000 deaths due to the disease. To qualify for the Order’s protections, tenants, lessees, or residents of residential properties must provide a copy of the Declaration to the landlord, owner of the residential property, or other person who has a right to have the individual evicted or removed. The Declaration provides notification and attestation on behalf of the submitting party that they have met the required criteria to keep from being evicted; it should be given to the landlord, owner of the residential property, or other person who has a right to have the individual evicted or removed. The information collected will be limited to the signature of the tenant, lessee, or resident. The information will not be collected by CDC.

As stated in the Supporting Statement for OMB Control Number 0920–1303, under the request for an Emergency Clearance, OIRA has waived the 60-day comment period requirement. However, because this collection is exceeding 60 days, CDC is seeking additional notice and comment. Specifically, CDC is soliciting comments on the following aspects of the information collection form:

1. Did you find the form was accessible on mobile devices, such as tablets and telephones?
2. Was the form easy to read and understand?
3. Was the form sufficiently understandable by those using it, and how is the form being used?
4. Are there additional accessibility measures CDC should consider?

There will be no anticipated costs to respondents other than their time. Estimated burden for residents who make a maximum of \$99,000 annually is 2,916,667 hours.

ESTIMATED ANNUALIZED BURDEN HOURS

Respondent	Form	Number of respondents	Number of responses per respondent	Average burden per response (in hours)	Total burden hours
Tenants, Lessees, or Residents.	DECLARATION UNDER PENALTY OF PERJURY FOR THE CENTERS FOR DISEASE CONTROL AND PREVENTION'S TEMPORARY HALT IN EVICTIONS TO PREVENT FURTHER SPREAD OF COVID-19.	35,000,000	1	5/60	2,916,667
Total	2,916,667

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Proposed Information Collection Activity; Survey of the National Survey of Child and Adolescent Well-Being (NSCAW) Adopted Youth, Young Adults, and Adoptive Parents (0970-0555)

AGENCY: Office of Planning, Research, and Evaluation, Administration for Children and Families, HHS.

ACTION: Request for public comment.

SUMMARY: The Administration for Children and Families (ACF) at the U.S. Department of Health and Human Services (HHS) seeks approval for an extension with no changes to a one-time study to examine familial outcomes 8 years or more after a child’s adoption from the child welfare system. The primary objective of this study is to estimate the prevalence of instability events that occur in families who have adopted children who have exited the foster care system. The second objective is to understand risk and protective factors associated with post adoption instability. Office of Management and Budget (OMB) approval expires September 30, 2021, and this request is to extend approval to allow for the completion of data collection.

DATES: *Comments due within 60 days of publication.* In compliance with the requirements of the Paperwork Reduction Act of 1995, ACF is soliciting public comment on the specific aspects

of the information collection described above.

ADDRESSES: Copies of the proposed collection of information can be obtained and comments may be forwarded by emailing OPREinfocollection@acf.hhs.gov. Alternatively, copies can also be obtained by writing to the Administration for Children and Families, Office of Planning, Research, and Evaluation, 330 C Street SW, Washington, DC 20201, Attn: OPRE Reports Clearance Officer. All requests, emailed or written, should be identified by the title of the information collection.

SUPPLEMENTARY INFORMATION: *Description:* Through this study, ACF is conducting web or telephone surveys with adopted youth, young adults, and adults as well as adoptive parents who were participants in the first or second cohort of NSCAW (NSCAW I, II; OMB #0970-0202). The surveys are designed to collect information about instability events (such as foster care re-entry or

running away that occurred after a child’s adoption) as well as family functioning, perceptions of the adoption relationship, and services and support received after adoption. Due to the COVID–19 pandemic, initial activities to

contact potential respondents were delayed. As a result, ACF is requesting an extension to collect data beyond the current OMB expiration date of September 30, 2021.

Respondents: Adopted youth, young adults, adults, and their associated adoptive parents who participated in NSCAW I or II.

ANNUAL BURDEN ESTIMATES

Instrument	No. of respondents (total over request period)	No. of responses per respondent (total over request period)	Avg. burden per response (in hours)	Total burden (in hours)	Annual burden (in hours)
Survey of NSCAW Adopted Youth, Young Adults, and Adults	588	1	.5	294	294
Survey of NSCAW Adoptive Parents	554	1	.5	277	277

Estimated Total Annual Burden Hours: 571.

Comments: The Department specifically requests comments on (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency’s estimate of the burden of the proposed collection of information; (c) the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted within 60 days of this publication.

Proposed Information Collection Activity; Child Care Improper Payments Data Collection Instructions

AGENCY: Office of Child Care, Administration for Children and Families, HHS.

ACTION: Request for public comment.

SUMMARY: The Administration for Children and Families is proposing revisions to an approved information collection, Child Care Improper Payments Data Collection Instructions (OMB #0970–0323, expiration 10/31/2021). There are minor changes requested to the form.

DATES: *Comments due within 60 days of publication.* In compliance with the requirements of the Paperwork Reduction Act of 1995, ACF is soliciting public comment on the specific aspects of the information collection described above.

ADDRESSES: Copies of the proposed collection of information can be obtained and comments may be forwarded by emailing *infocollection@acf.hhs.gov*. Alternatively, copies can also be obtained by writing to the Administration for Children and Families, Office of Planning, Research, and Evaluation (OPRE), 330 C Street SW, Washington, DC 20201, Attn: ACF Reports Clearance Officer. All requests, emailed or written, should be identified by the title of the information collection.

SUPPLEMENTARY INFORMATION:

Description: Section 2 of the Payment Integrity Information Act of 2019 (PIIA) provides for estimates and reports of improper payments by federal agencies. Subpart K of 45 CFR, Part 98 of the Child Care and Development Fund (CCDF) requires states to prepare and submit a report of errors occurring in the administration of CCDF grant funds once every 3 years.

The Office of Child Care (OCC) is completing the fifth 3-year cycle of case record reviews to meet the requirements for reporting under PIIA. The current

data collection forms and instructions expire October 31, 2021. As part of the renewal process, OCC has revised the document with minor changes that do not change the methodology, but provide respondents with additional guidance, clarification, and support to facilitate completeness and accuracy of the required data submissions.

Clarifying language and a question have been added to the revised document to support Lead Agencies that administer all or part of the CCDF program through other governmental or non-governmental agencies to include the following:

- In Section 1 *Introduction* on page 2, a subsection “Considerations for Administering CCDF Through Other Agencies” was added to describe how Lead Agency responsibilities in administering the CCDF program through other entities apply to the error rate review process.
- In Section III *Creating the Sampling Decisions, Assurances, and Fieldwork Preparation Plan* on page 11, and the *Sampling Decisions, Assurances, and Fieldwork Preparation Plan Report template* (Attachment 1), a new item was added at Item 3g Case Review Logistics to request information about how a Lead Agency accesses documents stored by other entities if part of eligibility is determined by the other entity.

OCC is particularly interested in feedback about the clarity of these instructions and the ease and accuracy with which respondents can provide information on accessing documents stored by other entities.

Respondents: State grantees, the District of Columbia, and Puerto Rico.
