INTERNATIONAL TRADE COMMISSION

[Investigation No. 731–TA–1474 (Final)]

Ultra-High Molecular Weight Polyethylene From Korea

Determination

On the basis of the record¹ developed in the subject investigation, the United States International Trade Commission (“Commission”) determines, pursuant to the Tariff Act of 1930 (“the Act”), that an industry in the United States is not materially injured or threatened with material injury, and the establishment of an industry in the United States is not materially retarded by reason of imports of ultra-high molecular weight polyethylene from Korea, provided for in subheadings 3901.10.10 and 3901.20.10 of the Harmonized Tariff Schedule of the United States, that have been found by the U.S. Department of Commerce (“Commerce”) to be sold in the United States at less than fair value (“LTFV”).²

Background

The Commission instituted this investigation effective March 4, 2020, following receipt of a petition filed with the Commission and Commerce by Celanese Corporation, Irving, Texas. The Commission scheduled the final phase of the investigation following notification of a preliminary determination by Commerce that imports of ultra-high molecular weight polyethylene from Korea were being sold at LTFV within the meaning of section 733(b) of the Act (19 U.S.C. 1673b(b)). Notice of the scheduling of the final phase of the Commission’s investigation and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of October 20, 2020 (85 FR 66576). In light of the restrictions on access to the Commission building due to the COVID–19 pandemic, the Commission conducted its hearing through written testimony and video conference on February 18, 2021. All persons who requested the opportunity were permitted to participate.

The Commission made this determination pursuant to section 735(b) of the Act (19 U.S.C. 1673d(b)). It completed and filed its determination

¹ The record is defined in § 207.2(f) of the Commission’s Rules of Practice and Procedure (19 CFR 207.2(f)).

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Comprehensive Environmental Response, Compensation, and Liability Act

On April 12, 2021, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the Western District of Louisiana in the lawsuit entitled *United States of America v. Axiall Corp., CITGO Petroleum Corporation, Bridgestone Americas Tire Operations, LLC, Bridgestone Americas, Inc., Firestone Polymers, LLC, Occidental Chemical Corporation, OXY USA Inc., PPG Industries, Inc. and Westlake Polymers LLC*, Civil Action No. 2:21–cv–00970–JDC–KK.

The Consent Decree resolves the claims of the United States against the Defendants for response costs incurred by the United States for response actions to investigate and address contamination within the Calcasieu Estuary Site (Site) in Louisiana. The United States’ Complaint seeks to recover its response costs incurred in connection with the Site pursuant to Section 107(a) of the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. 9607(a). The Consent Decree provides for payment by the Defendants of \$5.5 million in reimbursement of the United States’ past response costs.

The publication of this notice opens a period for public comment on the proposed Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States of America v. Axiall Corp., et al.*, D.J. Ref. No. 90–11–2–1284/2. All comments must be submitted no later than thirty (30) days after the publication date of this notice. Comments may be submitted either by email or by mail:
