

institution or depository institution holding company shall notify the appropriate Federal banking agency of the proposed addition of any individual to the board of directors or the employment of any individual as a senior executive officer at least 30 days before such addition or employment becomes effective.²

In addition to being used in conjunction with the FR 2081a and FR 2081b, the FR 2081c is used in conjunction with the FR 2070 and the Application to Become a Bank Holding Company and/or Acquire an Additional Bank or Bank Holding Company (FR Y-3; OMB No. 7100-0121). When used in conjunction with the FR 2070, the FR 2081c is authorized by section 18(c) of the Federal Deposit Insurance Act, which requires that a SMB, when it is the acquiring, assuming, or resulting bank, obtain prior approval from the Board before merging or consolidating with another insured depository institution, or assuming liability to pay any deposits made in any other depository institution, and requires the Board to consider the managerial resources and future prospects of the existing and proposed institutions.³ When used in conjunction with the FR Y-3, the FR 2081c is authorized by section 3(a) of the Bank Holding Company Act of 1956, which requires Board approval for formations, acquisitions, and mergers of bank holding companies, and requires the Board to consider the competence, experience, and integrity of the officers, directors, and principal shareholders of the company.⁴

The obligation to file these event-generated reports is mandatory. Individual respondents may request that information submitted to the Board through the FR 2081a, FR 2081b, or FR 2081c be kept confidential. If a respondent requests confidential treatment, the Board will determine whether the information is entitled to confidential treatment on a case-by-case basis. To the extent a respondent submits nonpublic commercial or financial information, which is both customarily and actually treated as private by the respondent, the respondent may request confidential treatment pursuant to exemption 4 of the Freedom of Information Act (FOIA).⁵ To the extent a respondent submits personnel, medical, or similar files, the disclosure of which would constitute an unwarranted invasion of

privacy, the respondent may request confidential treatment pursuant to exemption 6 of the FOIA.⁶ The entity should separately designate any such information as “confidential commercial information” or “confidential financial information,” and the Board will treat such designated information as confidential to the extent permitted by law, including the FOIA. In addition, to the extent a respondent submits information related to examination, operating, or condition reports prepared by, on behalf of, or for the use of a financial supervisory agency, the information may be kept confidential pursuant to exemption 8 of the FOIA.⁷

Current actions: On December 23, 2020, the Board published a notice in the **Federal Register** (85 FR 83952) requesting public comment for 60 days on the extension, with revision, of the Interagency Notice of Change in Control, the Interagency Notice of Change in Director or Senior Executive Officer, and the Interagency Biographical and Financial Report. The Board revised the FR 2081c by correcting an inadvertent and unintentional numbering error from the previous clearance. As a result of this error, currently, a respondent is required to provide their telephone number and email address only if they are not a U.S. citizen or are a dual citizen. With the corrected numbering and delineation, the form will clearly require all respondents to provide their telephone number and email address. No changes were made to the FR 2081a or FR 2081b.

The comment period for this notice expired on February 22, 2021. The Board did not receive any comments. The revisions will be implemented as proposed.
